Safety Instruction Guide for RCBS #29 Shell Holder

Introduction

Thank you for purchasing the RCBS #29 Shell Holder. This guide provides essential safety information, usage instructions, and disposal guidelines to ensure your safety and the proper functioning of this product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the shell holder is used only with compatible cartridges (25 Auto).
- Store the shell holder in a dry and safe location, away from children and pets.
- Regularly inspect the shell holder for any signs of wear or damage before each use.
- Do not attempt to modify or repair the shell holder; seek professional assistance if needed.
- Ensure that your workspace is clean and free from obstructions when using the shell holder.
- Always wear appropriate safety gear, including eye protection, while reloading ammunition.

Specific Safety Precautions for Use

- Only use the RCBS #29 Shell Holder with the designated reloading dies and equipment.
- Ensure that the shell holder is properly seated in the press before starting the reloading process.
- Avoid overtightening the shell holder, as this may lead to damage or malfunction.
- Do not exceed the recommended load specifications for the cartridge being used.
- Keep your hands and other body parts clear of the press during operation to avoid injury.
- Do not consume food or beverages in the reloading area to prevent contamination or accidents.

Instructions for Installation and Usage

1. Installation:

- Ensure that the reloading press is turned off and unplugged (if applicable).
- Locate the shell holder slot on the reloading press.
- Insert the RCBS #29 Shell Holder into the slot until it is securely seated.
- Tighten the shell holder if necessary, following the manufacturer's guidelines.

2. Usage:

- Prepare your workspace by gathering all necessary materials and tools.
- Place the case into the shell holder, ensuring it is properly aligned.
- Follow the specific reloading die instructions to complete the reloading process.
- After reloading, remove the completed cartridge from the shell holder carefully.
- Clean the shell holder after use to maintain its condition and functionality.

Disposal Instructions

- Dispose of the shell holder in accordance with local regulations.
- Do not dispose of the shell holder in regular household waste if it is damaged or no longer usable.
- Check with local authorities for proper recycling or disposal methods for metal products.

Contact Information for Further Support

For any inquiries or concerns regarding the RCBS #29 Shell Holder, please refer to the manufacturer's contact information provided on the packaging or the official website.

Conclusion

By following these safety instructions, you can ensure a safe and effective reloading experience with the RCBS #29 Shell Holder. Always prioritize safety and adhere to all guidelines to protect yourself and others during the reloading process. Thank you for choosing RCBS.
