# 8MM06 TRIM DIE Safety Instruction Guide

## Introduction

Thank you for choosing the 8MM06 TRIM DIE by RCBS. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document thoroughly before using the trim die to avoid any potential hazards.

## General Safety Guidelines

- Always handle the trim die with care to avoid injury.
- Ensure that the workspace is clean and free from clutter.
- Keep the trim die out of reach of children and vulnerable individuals.
- Use personal protective equipment (PPE), such as safety glasses and gloves, when operating the trim die.
- Regularly inspect the trim die for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding the use of reloading equipment.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Sharp edges: The trim die may have sharp edges that can cause cuts or lacerations.
- Metal filings: Using the die can produce metal shavings that may pose a risk of injury.
- Improper use: Using the die inappropriately can lead to accidents or damage to the die or cases.

### • Instructions for Avoiding Hazards:

- Always use the trim die with a file to ensure proper cutting and avoid injury.
- Do not attempt to modify the trim die or use it for purposes other than intended.
- Ensure that the case is securely held when trimming to prevent slippage.
- Dispose of any metal filings or debris in a safe manner.

## Instructions for Installation and Usage

### 1. Installation:

- Securely mount the trim die in a compatible reloading press according to the manufacturer's instructions.
- Ensure that the die is tightened properly to prevent movement during use.

### 2. Usage:

- Prepare the case by cleaning it thoroughly before trimming.
- Insert the case into the trim die.
- Use a file to run the case into the die, trimming it to the desired length.
- After trimming, remove the case and inspect it for any defects.
- Clean the trim die after each use to remove any metal filings or debris.

## Disposal Instructions

- Dispose of the trim die in accordance with local regulations regarding metal waste.
- Ensure that any metal filings or debris are collected and disposed of safely to prevent environmental contamination.

## **Contact Information for Further Support**

For any inquiries or safety concerns regarding the 8MM06 TRIM DIE, please refer to the manufacturer's contact information provided on the packaging or product documentation.

Thank you for your attention to these safety instructions. Your safety is our priority.
