Safety Instruction Guide for 8X57MM MAUSER TRIM DIE RCBS

Introduction

Thank you for purchasing the 8X57MM Mauser Trim Die from RCBS. This guide provides essential safety information and instructions to ensure the safe and effective use of this product. Please read and follow these guidelines carefully.

General Safety Guidelines

- Ensure that you understand the purpose and function of the 8X57MM Mauser Trim Die before use.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using this product.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the trim die for any signs of wear or damage before use.
- Do not use the trim die for any purpose other than its intended use.
- If you experience any discomfort or unusual symptoms while using this product, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Sharp edges: The trim die has sharp edges that can cause cuts or injuries.
- Metal fragments: When trimming cases, small metal fragments may be produced.

- **Avoiding Hazards:**

- Always handle the trim die with care to avoid cuts from sharp edges.
- Use a proper work surface and ensure that the area is clear of obstacles.
- Use a file as intended and ensure it is securely attached to the trim die before use.
- Dispose of any metal fragments safely to prevent injury.

- **Age Restrictions:**

- This product is intended for use by individuals aged 18 years and older. Ensure that younger individuals are supervised if they are present.

Instructions for Installation and Usage

- **Installation:**

1. Ensure that your workspace is clean and welllit.
2. Secure the trim die in a stable position on your workbench or reloading press.
3. Attach the appropriate file to the trim die, ensuring it is firmly in place.

- **Usage:**

1. Prepare your case by ensuring it is clean and free from debris.
2. Insert the case into the trim die.
3. Use the file to trim the case to the desired length, applying even pressure.
4. After trimming, carefully remove the case from the die.

5. Inspect the trimmed case for any irregularities or sharp edges.

Disposal Instructions

- Dispose of any metal fragments or wornout components in accordance with local waste disposal regulations.
- Do not dispose of the trim die in regular household waste if it is damaged. Check for local recycling programs that accept metal tools.

Contact Information for Further Support

For any questions or concerns regarding the use and safety of the 8X57MM Mauser Trim Die, please consult the manufacturer or your retailer for assistance. They can provide additional information and support as needed.

By following the guidelines outlined in this safety instruction guide, you can ensure a safe and effective experience with your 8X57MM Mauser Trim Die. Thank you for your attention to these important safety practices.
