Safety Instruction Guide for 220 SWIFT X MANDREL ASSEMBLY

Introduction

Thank you for choosing the 220 Swift X Mandrel Assembly by RCBS. This product is designed to assist in the reloading process, specifically for the 220 Swift cartridge. To ensure your safety and the effective use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always handle reloading equipment with care to prevent accidents.
- Ensure that you are familiar with the operation of the X Die Sizer before using the mandrel assembly.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves while using the mandrel assembly.
- Do not exceed the recommended pressures when using the mandrel assembly.
- Ensure that the working area is clean and free of obstructions.
- Inspect the mandrel assembly for any signs of damage or wear before each use.
- Do not modify or alter the mandrel assembly in any way.
- Always follow the manufacturer's guidelines and recommendations for use.

Instructions for Installation and Usage

1. Installation:

- Remove the mandrel assembly from its packaging.
- Inspect the assembly for any visible damage.
- Attach the expander rod and ball securely to the X Die Sizer according to the manufacturer's instructions.
- Ensure that the decapping pin is properly installed.

2. Usage:

- Start by placing the cartridge case in the X Die Sizer.
- Operate the die according to the manufacturer's guidelines to deprime the case and expand the neck.
- Monitor the process closely to ensure proper functioning.
- After use, clean the mandrel assembly to remove any debris or residue.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the mandrel assembly in regular household waste.
- If the product is no longer usable, consider recycling components where appropriate.

Contact Information for Further Support

For further support and inquiries regarding safety, please refer to the official RCBS website or contact their customer service team. Ensure you have the product information ready when seeking assistance.

Thank you for your attention to these safety guidelines. Your safety is our priority.
