# 260 Remington X Mandrel Assembly Safety Instruction Guide

## Introduction

Thank you for choosing the 260 Remington X Mandrel Assembly by RCBS. This product is designed to enhance your reloading experience by providing a reliable and efficient way to deprime cases and expand necks. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always use the product according to the manufacturer's instructions.
- Inspect the product for any damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use protective eyewear when operating the mandrel assembly to prevent eye injuries from debris.
- Ensure your hands are dry and free of any substances that may affect grip or control.
- Avoid wearing loose clothing or jewelry that may become entangled while using the product.
- Use the product in a wellventilated area to avoid inhalation of any dust or particles.
- Follow all local regulations regarding the handling and disposal of reloading materials.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the reloading press is securely mounted to a stable surface.
- Insert the expander rod and ball into the X Die Sizer according to the manufacturer's guidelines.
- Secure the decapping pin in place, ensuring it is properly aligned and tightened.

### 2. Usage:

- Place the case into the X Die Sizer.
- Operate the press slowly and steadily to deprime the case and expand the neck.
- Monitor the process closely to ensure proper operation and prevent any jams or misalignments.
- After use, clean the mandrel assembly to remove any residue or debris.

## Disposal Instructions

- Dispose of any broken or unusable parts in accordance with local regulations.
- Recycle packaging materials where possible.
- Do not dispose of the product in household waste. Check for local recycling programs or hazardous waste disposal options.

## Contact Information for Further Support

For any inquiries regarding safety, usage, or product support, please refer to the manufacturer's contact details provided in the product packaging or on the official website.

Thank you for prioritizing safety while using the 260 Remington X Mandrel Assembly. Enjoy your reloading

experience responsibly!
