

# DRUM MAGAZINE POLYMER 9MM FOR GLOCK® 48/43X - PRO MAG DRUM MAGAZINE 50-RD 9MM POLYMER BLACK

[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

## A Dedicated Drum Magazine for Your Glock G43X & G48

Glock upped the capacity of its small self-defense guns with the launch of its G43X and G48 pistols, giving users a stagger-stack magazine design loaded with more rounds. Now, Pro Mag is giving those same Glock owners a chance to have even greater magazine capacity, thanks to the company's drum magazine designed for the guns. This Pro Mag Glock 48/43X Drum Magazine is made using a proprietary type of Zytel-based polymer originally made by DuPont. The housing is made from this material, while the upper feed tower features a carbon-steel lip reinforcement that's overmolded to aid in durability and lubricity. The drum is completed with an injection-molded magazine follower that tops a spring made from heat-treated stainless steel. The Glock 48/43X Polymer Drum Magazine from Pro Mag is designed for use with 9mm cartridges only and features an all-black finish. The drum holds 50 rounds and is made in the USA.

## Attributes

- Name: [PRO MAG DRUM MAGAZINE 50-RD 9MM POLYMER BLACK](#)
- Manufacturer: [PRO MAG](#)
- Product no.: 100061246

# Safety Instruction Guide for DRUM MAGAZINE POLYMER 9MM FOR GLOCK® 48/43X PRO MAG

## Introduction

Thank you for choosing the Pro Mag Drum Magazine for your Glock 48 or 43X. This guide provides essential safety instructions to ensure the safe use and handling of your magazine. Please read this document carefully to understand the safety guidelines, usage instructions, and disposal methods.

## General Safety Guidelines

- **Product Safety:** This magazine is designed for safe use with Glock 48 and 43X models. Always ensure that you are using this product according to the manufacturer's specifications.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. Regularly check the EU Safety Gate platform for updates.
- **Online Shopping:** If purchased online, ensure that the retailer complies with EU safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, refer to the EU contact point provided at the time of purchase.
- **Rapid Alerts:** Be aware of the Safety Gate system for fast updates regarding unsafe products.

## Specific Safety Precautions for Use

- **Age Restriction:** This product is intended for adult users only. Do not allow children to handle or use this magazine.
- **Proper Handling:** Always treat the magazine as if it is loaded. Keep your finger off the trigger until you are ready to shoot.
- **Inspection:** Before each use, inspect the magazine for any signs of damage or wear. Do not use if damaged.
- **Loading and Unloading:** Follow proper procedures for loading and unloading ammunition to avoid accidental discharge.
- **Storage:** Store the magazine in a secure location, away from unauthorized users. Ensure it is stored in a cool, dry place.
- **Avoid Modifications:** Do not modify the magazine in any way. Unauthorized modifications can lead to malfunctions and safety hazards.

## Instructions for Installation and Usage

### 1. Loading the Magazine:

- Ensure the magazine is empty before loading.
- Use only 9mm Luger cartridges as specified.
- Insert cartridges into the magazine following the staggerstack design.
- Ensure cartridges are seated properly to avoid jams.

### 2. Using the Magazine:

- Insert the magazine into the Glock 48 or 43X until it clicks into place.
- Always check that the magazine is securely seated before firing.
- If the magazine fails to feed, remove it and inspect for any obstructions.

### 3. Unloading the Magazine:

- Point the firearm in a safe direction.
- Remove the magazine by pressing the magazine release button.
- Clear the chamber by pulling the slide back and visually inspecting the chamber.
- Dispose of any unfired cartridges safely.

#### 4. Maintenance:

- Regularly clean the magazine to ensure optimal performance.
- Use a soft cloth and appropriate cleaning solutions. Avoid harsh chemicals that may damage the polymer.

## Disposal Instructions

- **General Disposal:** Dispose of the magazine in accordance with local regulations regarding firearm accessories.
- **Recycling:** Check if the magazine can be recycled according to local guidelines for polymer materials.
- **Hazardous Waste:** If the magazine is damaged or no longer usable, dispose of it as hazardous waste to prevent environmental harm.

## Contact Information for Further Support

For any additional questions or concerns regarding the Pro Mag Drum Magazine, please refer to the contact information provided at the time of purchase or consult the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety and the safety of others depend on the responsible use and handling of this product.
