

SPRINGFIELD M1A/M14 DRUM MAGAZINE POLYMER .308 WINCHESTER - PRO MAG SPRINGFIELD M14/M1A DRUM MAGAZINE 50-RD .308 WIN POLY BLK

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

A Drum Magazine Designed for the Springfield M1A

Though the Springfield M1A, a commercial copy of the popular military-issue M14, has 20-round magazines, there are range visits that just require a drum mag for a fun experience. AR-style rifle owners always had all the fun when it came to drum mags, but thanks to the team at Pro Mag, now owners of the Springfield M1A can get in on the fun. This Pro Mag Springfield M1A/M14 Drum Magazine is made using a proprietary type of Zytel-based polymer originally made by DuPont. The housing is made from this material, while the upper feed tower features a carbon-steel lip reinforcement that's overmolded to aid in durability and lubricity. The drum is completed with an injection-molded magazine follower that tops a spring made from heat-treated stainless steel. The Springfield M1A/M14 Polymer Drum Magazine from Pro Mag is designed for use with .308 Win./7.62 NATO cartridges only and features an all-black finish. The drum holds 50 rounds and is made in the USA.

Springfield M1A/M14 Drum Magazine Safety Instruction Guide

Introduction

Thank you for choosing the Pro Mag Springfield M1A/M14 Drum Magazine. This product is designed to enhance your shooting experience while ensuring safety and compliance with EU General Product Safety Regulation (GPSR). Please read this safety instruction guide carefully before use to understand how to safely handle, install, and operate your drum magazine.

General Safety Guidelines

- Always treat the drum magazine as if it is loaded.
- Keep the drum magazine out of reach of children and unauthorized users.
- Use the drum magazine only with .308 Win./7.62 NATO cartridges.
- Inspect the drum magazine regularly for any signs of damage or wear.
- Never modify or alter the drum magazine in any way.
- Store the drum magazine in a secure location when not in use.
- Follow all local laws and regulations regarding the use and storage of firearm accessories.

Specific Safety Precautions for Use

- Ensure that the firearm is pointed in a safe direction when loading or unloading the drum magazine.
- Do not overfill the drum magazine; it is designed to hold a maximum of 50 rounds.
- Avoid using the drum magazine in adverse weather conditions, such as heavy rain or extreme heat, to maintain its integrity.
- Be aware of your surroundings and ensure that you are in a safe environment when using the drum magazine.
- Do not use the drum magazine if it has been dropped or damaged.
- Always wear appropriate eye and ear protection when shooting.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Align the drum magazine with the magazine well of the firearm.
- Push the drum magazine into the magazine well until it clicks into place securely.

2. Loading the Drum Magazine:

- Open the drum magazine by following the manufacturer's instructions.
- Load the .308 Win./7.62 NATO cartridges into the magazine, ensuring they are seated properly.
- Close the drum magazine securely after loading.

3. Using the Drum Magazine:

- Load the firearm as instructed by the manufacturer.
- Fire the firearm as per standard operational procedures.
- Monitor the firearm and drum magazine for any signs of malfunction during use.

4. Unloading the Drum Magazine:

- Ensure the firearm is pointed in a safe direction.
- Remove the drum magazine from the firearm by pressing the release button.
- Open the drum magazine and remove any remaining cartridges.

Disposal Instructions

- Dispose of the drum magazine in accordance with local regulations.
- Do not throw the drum magazine in regular household waste.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding the safety and use of the Pro Mag Springfield M1A/M14 Drum Magazine, please contact the manufacturer's customer support or refer to the product packaging for additional information.

Conclusion

Your safety and the safety of others is of utmost importance. By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your Pro Mag Springfield M1A/M14 Drum Magazine. Always prioritize safety and adhere to all relevant laws and regulations.
