

1911 FULL SIZE MAGAZNES 9MM - MEC-GAR 1911 FULL SIZE MAGAZINE 10-RD ANTI-FRICTION 9MM

[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

Made for Full Size 1911's, Mec-Gar has a 10-Rd anti-friction coated magazine and a 9-Rd blued magazine new to their lineup. Both magazines are made up of a heat treated carbon steel tube and high tensile music wire for the spring. The 10-Round magazine features a high-impact polymer follower, anti-friction coating, and a high-impact polymer floorplate that sits flush with the pistol. The 9-Round magazine features a heat treated/stamped follower, blued finish, and a metal welded floorplate.

Safety Instruction Guide for 1911 Full Size Magazines 9mm MecGar

Introduction

Thank you for choosing the MecGar 1911 Full Size Magazines. This guide provides essential safety instructions to ensure the safe use and handling of your magazines. Please read and follow these instructions carefully to minimize risks and ensure compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always handle magazines with care and in accordance with firearm safety practices.
- Ensure that the firearm is unloaded before inserting or removing the magazine.
- Keep magazines out of reach of children and unauthorized users.
- Regularly inspect magazines for wear and damage. Do not use damaged magazines.
- Store magazines in a cool, dry place to prevent corrosion and degradation.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Only use the magazines with compatible 1911 firearms.
- Ensure that the magazine is properly seated in the firearm before use.
- Do not attempt to modify or alter the magazine in any way.
- Avoid overloading the magazine beyond its specified capacity.
- Be aware of the potential for magazine-related malfunctions, such as jams or misfeeds.
- Always point the firearm in a safe direction when loading or unloading the magazine.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is pointed in a safe direction.
- Check that the firearm is unloaded.
- Align the magazine with the magazine well of the firearm.
- Push the magazine firmly into the magazine well until it clicks into place.

2. Usage:

- To load the magazine, follow these steps:
 - Hold the magazine with the follower facing upwards.
 - Insert rounds into the magazine, ensuring they are properly aligned.
 - Do not exceed the magazine's stated capacity (10 rounds for the 10Round magazine and 9 rounds for the 9Round magazine).
- To remove the magazine:
 - Press the magazine release button on the firearm.
 - Pull the magazine straight out of the magazine well.

Disposal Instructions

- Dispose of old or damaged magazines in accordance with local regulations.
- Do not dispose of magazines in regular household waste.
- Consider recycling metal components where facilities are available.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of your MecGar magazines, please reach out to the designated EU contact point for assistance.

Thank you for your attention to these safety guidelines. Your safety and the safety of others is our priority.
