

1911 FULL SIZE MAGAZNES 9MM - MEC-GAR 1911 FULL SIZE MAGAZINE 9-RD BLUED 9MM

[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

Made for Full Size 1911's, Mec-Gar has a 10-Rd anti-friction coated magazine and a 9-Rd blued magazine new to their lineup. Both magazines are made up of a heat treated carbon steel tube and high tensile music wire for the spring. The 10-Round magazine features a high-impact polymer follower, anti-friction coating, and a high-impact polymer floorplate that sits flush with the pistol. The 9-Round magazine features a heat treated/stamped follower, blued finish, and a metal welded floorplate.

Consumer Safety Instruction Guide for 1911 Full Size Magazines

Introduction

Thank you for choosing the MecGar 1911 Full Size Magazines. This guide provides important safety information and instructions to ensure the safe usage of your magazine. It is essential to follow these guidelines to protect yourself and others while using this product.

General Safety Guidelines

- Ensure that the magazine is compatible with your firearm before use.
- Always handle magazines with care to prevent accidental discharge.
- Store magazines in a safe, dry place away from children and unauthorized users.
- Regularly inspect the magazine for signs of wear or damage before use.
- Do not attempt to modify or disassemble the magazine.
- Use only the recommended ammunition (9 mm Luger) to avoid malfunctions.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Always keep the firearm pointed in a safe direction when inserting or removing the magazine.
- Ensure the firearm is unloaded before inserting or removing the magazine.
- Avoid using the magazine if it shows signs of damage, such as dents or rust.
- Do not overload the magazine beyond its specified capacity (9 rounds).
- Be aware of your surroundings and ensure that no one is in the line of fire when using the magazine.
- Use eye and ear protection when operating firearms.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is in a safe condition (unloaded).
- Align the magazine with the magazine well of the firearm.
- Push the magazine firmly into place until you hear a click, indicating it is secured.

2. Usage:

- To load the magazine, press down on the follower and insert the rounds one at a time.
- Ensure that each round is seated properly and that the magazine is not overloaded.
- When ready to fire, insert the loaded magazine into the firearm as described in the installation section.
- After firing, remove the magazine and ensure the firearm is unloaded.

3. Maintenance:

- Regularly clean the magazine with a soft cloth to remove dirt and debris.
- Check the spring and follower for proper function and replace if necessary.
- Store the magazine in a cool, dry place when not in use.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged or no longer functional, do not attempt to repair it.
- Contact local waste management services for guidance on the proper disposal of firearm accessories.

Contact Information for Further Support

For any questions or concerns regarding the use of your MecGar 1911 Full Size Magazines, please refer to the manufacturer's website or contact your local dealer for assistance.

By following these safety guidelines and instructions, you can help ensure a safe and enjoyable experience with your MecGar 1911 Full Size Magazines. Thank you for your attention to safety.
