

BATTLE BORN ALL-IN-ONE - BREAKTHROUGH CLEAN 6 OZ PUMP SPRAY ALL-IN-ONE

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Lubricant & Protectant Oils](#)

A Do-It-All Product To Speed Up Your Post-Range Cleaning and Oiling

Sure, we all love shooting, but who loves cleaning up after a long day at the range? If you're sick and tired of going through can after can of solvent, carbon-cleaning solution and lubricant, then you're the kind of guy who needs this Battle Born All-In-One solution from Breakthrough Clean Technologies. Instead of selling multiple different cans of cleaner, lubricant and preservative, Breakthrough Clean offers this do-it-all solution in the form of Battle Born. All you have to do is apply the combination cleaner-and-lubricant to your gun to remove carbon fouling and grime, and while you're scrubbing, the solution is simultaneously penetrating into the metal to ensure long-lasting coverage against rust. It also provides increased lubrication, preventing premature wear to your gun's moving parts. Breakthrough Clean's Battle Born All-In-One can be had in a variety of sizes, ranging from a 2-ounce pump spray that's sized perfectly for your range bag to a 1-gallon can you can keep in the shop. No matter what size you pick up, Battle Born will make cleaning and protecting your guns easier than ever before.

Battle Born AllInOne Breakthrough Clean 6 oz Pump Spray Safety Instructions

Introduction

Thank you for choosing the Battle Born AllInOne Breakthrough Clean solution. This guide provides essential safety instructions to ensure the safe use of this product. Please read and follow these guidelines carefully to protect yourself and others while using this product.

General Safety Guidelines

- Ensure safe use of the product by following all instructions provided.
- Keep the product out of reach of children and vulnerable individuals.
- Always use the product in a wellventilated area to avoid inhalation of fumes.
- Avoid contact with eyes and skin. If contact occurs, rinse immediately with plenty of water.
- Do not ingest the product. If swallowed, seek medical attention immediately.
- Report any unsafe product experiences or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- Wear protective gloves and safety goggles when using the product to prevent skin and eye irritation.
- Do not use the product near open flames or sparks, as it is flammable.
- Store the product in a cool, dry place away from direct sunlight and heat sources.
- Do not mix with other cleaning agents or chemicals unless specified by the manufacturer.
- Ensure the nozzle is pointed away from yourself and others when using the spray.

Instructions for Installation and Usage

1. Preparation:

- Ensure the area is wellventilated.
- Gather all necessary materials, including protective gloves and goggles.

2. Application:

- Shake the bottle gently before use.
- Hold the pump spray approximately 612 inches away from the surface of the item you wish to clean.
- Press the pump to spray an even coat of the cleaner onto the surface.

3. Cleaning:

- Use a clean cloth or brush to scrub the surface gently.
- Allow the solution to penetrate for a few minutes for optimal results.
- Wipe away any excess cleaner with a clean, dry cloth.

4. PostUse:

- After cleaning, ensure the area is wellventilated until the product has completely dried.
- Dispose of any used cloths or materials in accordance with local disposal regulations.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not pour the product down the drain or into water sources.
- If the container is empty, recycle it where facilities exist.

Contact Information for Further Support

For any questions regarding the safety or use of this product, please refer to the manufacturer's contact information provided on the product label or packaging.
