

# SYNTEHTIC CLP QUICK WIPES - BREAKTHROUGH CLEAN CLP QUICK WIPES 12/PACK

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Lubricant & Protectant Oils](#)

## An Easy Wipe for Your Range Bag

Even though it's probably the time you're least likely to clean your guns, the best time to get all of that grime and carbon fouling off your firearms is immediately after you shoot them. Having these Synthetic CLP Quick Wipes on hand from Breakthrough Clean Technologies means you can give your guns a quick wipe-down to start the cleaning process, ensuring you're spending less time on the back end scrubbing down baked-on carbon fouling. These multi-purpose CLP Quick Wipes are infused with Breakthrough Clean's high-grade solvent and synthetic gun oil, which are both designed to break down and eliminate carbon build-up while simultaneously protecting the metal surfaces and eliminating friction. This odorless, non-toxic cleaning-and-lubricating solution are ideal for quick clean-up in the field, and it'll eliminate those greasy fingerprints that start the corrosion process. Best of all, the solvent and oil is contained in a tough, tear-resistant sheet that won't come apart during use. The solution is safe for use on metal, polymer and finished wood stocks, and it can be applied in temperatures ranging from -51 to 281 degrees Fahrenheit.

## Attributes

- Name: [BREAKTHROUGH CLEAN CLP QUICK WIPES 12/PACK](#)
- Manufacturer: [BREAKTHROUGH CLEAN](#)
- Product no.: 100061314

# Safety Instruction Guide for SYNTEHTIC CLP QUICK WIPES

## Introduction

Thank you for choosing SYNTEHTIC CLP QUICK WIPES by Breakthrough Clean Technologies. These wipes are designed to help you maintain your firearms by providing a quick and effective cleaning solution. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always store the product out of reach of children and pets.
- Use the product only for its intended purpose as described in this guide.
- Inspect the packaging before use. Do not use if the packaging is damaged or compromised.
- Ensure adequate ventilation while using the wipes.
- Avoid contact with eyes and prolonged skin contact. If contact occurs, rinse thoroughly with water.
- Do not ingest. If swallowed, seek medical attention immediately.
- Dispose of used wipes responsibly and in accordance with local regulations.

## Specific Safety Precautions for Use

- Before using the wipes, ensure that the firearm is unloaded and pointed in a safe direction.
- Do not use the wipes on hot surfaces or while the firearm is still warm.
- Avoid using the product near open flames or sources of ignition.
- Keep the wipes away from food and beverages.
- If you experience any adverse reactions such as skin irritation or respiratory issues, discontinue use immediately and consult a medical professional.

## Instructions for Installation and Usage

### 1. Opening the Package

- Carefully open the packaging of the SYNTEHTIC CLP QUICK WIPES.
- Remove the first wipe from the center of the roll.

### 2. Applying the Wipe

- Gently wipe the surfaces of the firearm, focusing on areas with visible grime or carbon buildup.
- Use a clean section of the wipe for each pass to avoid spreading dirt.

### 3. PostApplication Care

- After cleaning, allow the firearm to air dry for optimal results.
- Store the remaining wipes in a cool, dry place, ensuring the packaging is resealed tightly to maintain moisture.

## Disposal Instructions

- Dispose of used wipes in accordance with local waste disposal regulations.
- Do not flush wipes down the toilet.
- Ensure that the wipes are disposed of in a manner that prevents access by children and pets.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the SYNTEHTIC CLP QUICK WIPES, please refer to the contact details provided on the product packaging or visit the manufacturer's website for further assistance.

By following these safety instructions, you can ensure a safe and effective cleaning process for your firearms. Thank you for choosing Breakthrough Clean Technologies for your cleaning needs.
