[Shooting Accessories](#) > [Speedloaders & Accessories](#) > [Magazine Speedloaders](#)

## A Tailor-Made Loading Adapter for Your .22 LR Magazine

If you're looking to speed up loading for your .22 LR magazine and save yourself a sore thumb, then the McFadden Lightnin' Grip Loader is the ticket! However, you'll need a specific loading adapter that's tailored to your particular .22 LR firearm, and McFadden Loaders has a ton of them available! Of course, you have the adapter for aftermarket 10/22 magazines, like those from Butler Creek, Shooter's Ridge, Ramline and more, but there are tons of other options available. Have a Smith & Wesson M&P15-22? There's an adapter for that. What about a Ruger SR22? There's an adapter for that. Maybe you've got one of those Kimber 1911-22 conversion kits. Guess what? There's an adapter for that, too! No matter what .22 LR conversion kit or dedicated firearm you have, there's a chance that McFadden Loaders has a specially tailored option for you. All you have to do is find the right one for your gun, and you'll be loading those empty magazines almost as quickly as you shot them empty!

# LIGHTNIN' GRIP LOADER ADAPTERS Safety Instruction Guide

## Introduction

Thank you for choosing the LIGHTNIN' GRIP LOADER ADAPTERS by McFadden Machine Co. Inc. This guide provides important safety information to ensure the safe and effective use of your loading adapter. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the adapter is compatible with your specific .22 LR firearm model.
- Always handle firearms and accessories with care and respect.
- Keep the loading adapter out of reach of children and unauthorized users.
- Regularly inspect the adapter for any signs of wear or damage before each use.
- If you encounter any issues with the adapter, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Only use the adapter with specified magazine types. Using it with incompatible magazines may cause malfunction or injury.
- Always follow the manufacturer's instructions for loading and unloading your firearm.
- Ensure that the firearm is pointed in a safe direction when using the loading adapter.
- Do not overload the magazine beyond its capacity.
- Never attempt to modify the loading adapter or firearm in any way.

## Instructions for Installation and Usage

### 1. Installation of the Adapter

- Identify the specific adapter that corresponds to your firearm model.
- Align the adapter with the magazine as per the manufacturer's instructions.
- Firmly attach the adapter to the magazine, ensuring it is securely in place.

### 2. Using the Loading Adapter

- Load the magazine using the adapter by following these steps:
  - Hold the adapter and magazine securely.
  - Insert the ammunition into the loading adapter as directed.
  - Release the ammunition into the magazine, ensuring it is seated properly.
- Repeat the loading process until the magazine is full or you have reached the desired number of rounds.
- Always check the magazine to ensure it is loaded correctly before use.

### 3. Unloading the Magazine

- Follow the firearm's unloading procedures as outlined in the user manual.
- Remove the adapter from the magazine if necessary, following the installation steps in reverse.

## Disposal Instructions

- Dispose of the loading adapter in accordance with local regulations.
- Do not dispose of the adapter in household waste.

- If the adapter is damaged or no longer functional, consider contacting a recycling facility that accepts plastic and metal products.

## **Contact Information for Further Support**

For any questions or concerns regarding the LIGHTNIN' GRIP LOADER ADAPTERS, please refer to the manufacturer's website or contact customer support for assistance.

By following these guidelines and instructions, you can ensure safe and effective use of the LIGHTNIN' GRIP LOADER ADAPTERS. Thank you for prioritizing safety and compliance with EU General Product Safety Regulations.
