## A Tailor-Made Loading Adapter for Your .22 LR Magazine

If you're looking to speed up loading for your .22 LR magazine and save yourself a sore thumb, then the McFadden Lightnin' Grip Loader is the ticket! However, you'll need a specific loading adapter that's tailored to your particular .22 LR firearm, and McFadden Loaders has a ton of them available! Of course, you have the adapter for aftermarket 10/22 magazines, like those from Butler Creek, Shooter's Ridge, Ramline and more, but there are tons of other options available. Have a Smith & Wesson M&P15-22? There's an adapter for that. What about a Ruger SR22? There's an adapter for that. Maybe you've got one of those Kimber 1911-22 conversion kits. Guess what? There's an adapter for that, too! No matter what .22 LR conversion kit or dedicated firearm you have, there's a chance that McFadden Loaders has a specially tailored option for you. All you have to do is find the right one for your gun, and you'll be loading those empty magazines almost as quickly as you shot them empty!

# LIGHTNIN' GRIP LOADER ADAPTERS SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the LIGHTNIN' GRIP LOADER ADAPTERS by McFadden Machine Co. Inc. This guide provides important safety instructions and guidelines to ensure the safe use of your product. Please read this manual carefully before using the loader adapters.

## General Safety Guidelines

- Always ensure that the adapter is compatible with your specific .22 LR firearm model.
- Inspect the loader and adapter for any damage before each use. Do not use if damaged.
- Keep the loader and adapters out of reach of children and unauthorized users.
- Use the loader and adapters only for their intended purpose as described in this guide.
- Store the loader and adapters in a safe, dry place when not in use.
- Follow all local laws and regulations regarding the use of firearms and ammunition.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before attaching or detaching the loader adapter.
- Always point the firearm in a safe direction when using the loader.
- Do not attempt to load the magazine while the firearm is in a confined space or near people.
- Be aware of your surroundings and ensure that no one is in the line of fire while using the loader.
- Do not exceed the magazine capacity as specified by the firearm manufacturer.
- Avoid using excessive force when loading the magazine to prevent damage to the loader or adapter.

## Instructions for Installation and Usage

### 1. Installation of Adapter:

- Identify the correct adapter for your firearm model (e.g., Savage 62, 64, 954).
- Align the adapter with the loader and press firmly until it clicks into place.
- Ensure that the adapter is securely attached before proceeding.

### 2. Loading the Magazine:

- Place the magazine into the loader adapter, ensuring it is properly seated.
- Insert the ammunition into the loader, following the recommended orientation.
- Pull the loader handle to load the ammunition into the magazine.
- Repeat the process until the magazine is fully loaded or you reach the maximum capacity.

### 3. Removing the Magazine:

- Once the magazine is loaded, carefully detach it from the loader adapter.
- Store the loaded magazine in a safe location until you are ready to use it.

## Disposal Instructions

- Dispose of any damaged or worn loader adapters in accordance with local regulations.
- Do not throw the loader or adapters in regular household waste. Instead, contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the LIGHTNIN' GRIP LOADER ADAPTERS, please refer to the customer support section of the McFadden Machine Co. Inc. website or consult your local dealer for assistance.

Thank you for your attention to these safety instructions. Your safety is our priority. Enjoy your LIGHTNIN' GRIP LOADER ADAPTERS responsibly!
