

# T1X EXTENDED RAILS - MOUNTAIN TACTICAL T1X EXTENDED RAIL 20 MOA

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

The T1x is finally out in the wild and Tikka Shooters are clamoring to get their hands on them. Once in hand they find out that Tikka put the 11mm European standard rimfire dovetail on the action instead of the standard 16mm dovetail found on the T3 and T3x greatly limiting their scope mounting options. Not to worry, Mountain Tactical has your back! With the Mountain Tactical Company T1x picatinny rail, you can mount any picatinny or Weaver style scope rings to your rifle. They even include the option to gain 20 or 30 MOA and, for the adventurous types, extend the mounting platform to a full 8.5 inches! Your rifle is only as good as its weakest link. Don't let your optic mount be the limiting factor on your rifle. Grab a Mountain Tactical T1x scope mount today! Like all Mountain Tactical Company products, these rails are proudly made in Montana, USA. Specifications: Body - 6061-T6 Billet Aluminum Finish - Mil-Spec Hard Anodized

## Attributes

- Name: [MOUNTAIN TACTICAL T1X EXTENDED RAIL 20 MOA](#)
- Manufacturer: [MOUNTAIN TACTICAL](#)
- Product no.: 100061467
- Mfr. No.: T1XR-EXT20
- Colour: Black
- Elevation: 20 MOA
- Material: Aluminum
- Model: T1X
- Number of Bases: 1-Piece
- Style: Extension
- Weapon type: Tikka
- Delivery weight: 0.073kg
- Shipping height: 254mm
- Shipping width: 102mm

# T1X Extended Rails Safety Instruction Guide

## Introduction

Thank you for choosing the T1X Extended Rails from Mountain Tactical. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this guide carefully before using the T1X Extended Rails.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always inspect the product for any signs of damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all installation and usage instructions provided in this guide.
- Report any unsafe conditions, incidents, or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Installation Safety:** Always ensure that the mounting platform is secured properly before attaching any scope. Loose components can lead to accidents or damage.
- **Weight Limit:** Do not exceed the recommended weight limit for the mounted scope. Overloading can compromise the integrity of the rail and affect performance.
- **Environmental Conditions:** Avoid using the product in extreme weather conditions that may affect its performance or safety.
- **Regular Maintenance:** Periodically check the mounting hardware for wear and tear. Replace any worn parts immediately.
- **Correct Usage:** Use only compatible scope rings and accessories designed for picatinny or Weaver style mounts.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a torque wrench and appropriate screwdrivers.
- Ensure that the rifle is unloaded and in a safe condition before beginning installation.

### 2. Installation Steps:

- Align the T1X Extended Rail with the 11mm dovetail on the rifle action.
- Secure the rail using the provided screws, ensuring they are tightened to the manufacturer's recommended torque specifications.
- If opting for the 20 or 30 MOA elevation, confirm that the rail is positioned correctly to achieve the desired angle.

### 3. Attaching the Scope:

- Select compatible picatinny or Weaver style scope rings.
- Attach the scope to the rail using the scope rings, ensuring they are tightened securely.
- Doublecheck the alignment and stability of the scope before use.

### 4. PostInstallation Check:

- Verify that all screws and attachments are secure.
- Conduct a function check of the rifle to ensure proper operation with the installed rail and scope.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations for aluminum and electronic waste.
- Do not dispose of the product in regular household waste.
- Consider recycling the product if possible.

## **Contact Information for Further Support**

For any inquiries or further assistance regarding the T1X Extended Rails, please contact Mountain Tactical through the appropriate channels available in your region.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the T1X Extended Rails!
