

# T1X EXTENDED RAILS - MOUNTAIN TACTICAL T1X EXTENDED RAIL 30 MOA

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

The T1x is finally out in the wild and Tikka Shooters are clamoring to get their hands on them. Once in hand they find out that Tikka put the 11mm European standard rimfire dovetail on the action instead of the standard 16mm dovetail found on the T3 and T3x greatly limiting their scope mounting options. Not to worry, Mountain Tactical has your back! With the Mountain Tactical Company T1x picatinny rail, you can mount any picatinny or Weaver style scope rings to your rifle. They even include the option to gain 20 or 30 MOA and, for the adventurous types, extend the mounting platform to a full 8.5 inches! Your rifle is only as good as its weakest link. Don't let your optic mount be the limiting factor on your rifle. Grab a Mountain Tactical T1x scope mount today! Like all Mountain Tactical Company products, these rails are proudly made in Montana, USA. Specifications: Body - 6061-T6 Billet Aluminum Finish - Mil-Spec Hard Anodized

## Attributes

- Name: [MOUNTAIN TACTICAL T1X EXTENDED RAIL 30 MOA](#)
- Manufacturer: [MOUNTAIN TACTICAL](#)
- Product no.: 100061468

# T1X Extended Rails Safety Instruction Guide

## Introduction

Thank you for choosing the T1X Extended Rails from Mountain Tactical. This guide provides important safety instructions and usage guidelines to ensure your product is used safely and effectively. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Always ensure your firearm is unloaded before installing or adjusting the scope mount.
- Inspect the product for any visible damage before use. Do not use if damaged.
- Follow all local laws and regulations regarding firearm accessories.
- Keep the product out of reach of children and unauthorized users.
- If you experience any issues with the product, discontinue use immediately and contact support.

## Specific Safety Precautions for Use

- Ensure the rail is securely mounted to prevent movement during use, which could affect accuracy.
- Use only compatible picatinny or Weaver style scope rings with this mount.
- Do not exceed the recommended weight limit for scopes and accessories mounted on the rail.
- Regularly check the tightness of screws and fittings to maintain secure attachment.
- Avoid exposing the product to extreme temperatures or corrosive environments, as this may affect its integrity.

## Instructions for Installation and Usage

### 1. Preparation

- Gather necessary tools: a torque wrench, appropriate screwdrivers, and any additional tools recommended by the scope ring manufacturer.
- Ensure your Tikka rifle is clean and free of any debris.

### 2. Mounting the Rail

- Place the T1X Extended Rail onto the 11mm dovetail of the Tikka rifle.
- Align the rail so that it is level and positioned correctly for your scope.
- Using the provided screws, secure the rail to the dovetail.
- Tighten the screws to the manufacturer's recommended torque settings to ensure a secure fit.

### 3. Attaching Scope Rings

- Select compatible picatinny or Weaver style scope rings.
- Attach the scope rings to the rail, ensuring they are positioned to accommodate your scope's specifications.
- Securely tighten the scope rings following the manufacturer's torque specifications.

### 4. Mounting the Scope

- Carefully place your scope into the rings and adjust its position for optimal eye relief.
- Tighten the ring screws to hold the scope securely in place.

### 5. Final Checks

- Inspect the entire setup for stability and alignment.

- Ensure everything is tight and secure before attempting to use the rifle.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding aluminum and metal waste.
- Do not dispose of the product in regular household waste.
- Consider recycling the product if possible, as it is made from 6061T6 Billet Aluminum.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the T1X Extended Rails, please contact the manufacturer directly through the provided channels. Ensure you have your product details ready for reference.

Thank you for choosing Mountain Tactical. Your safety is our priority.
