

T3/T3X BOLT HANDLE STEM - MOUNTAIN TACTICAL T3/T3X BOLT HANDLE STEM

[Rifle Parts](#) > [Bolt Parts](#) > [Charging Handle Parts](#) > [Charging Handles](#)

These Mountain Tactical Bolt Handles are designed to give you more control over your rifle. The longer handle makes cycling the bolt easier allowing you to eject and chamber a round without taking your sights off your target. A larger diameter bolt knob increases tactility making positive bolt manipulation while wearing gloves a more confident and safe action. Of course, at the end of the day, they just look awesome! Not sure which handle you want to choose? No problem! The austenitic stainless steel handle stem is thread with an industry standard 5/16-24 thread to accept other Mountain Tactical Bolt Knobs or other knobs from manufacturers such as Badger Ordnance, etc. You can switch out knobs with ease. Specifications: Handle Stem Material – Stainless Steel Handle Stem Finish – Mill Finish

T3/T3X Bolt Handle Stem Safety Instruction Guide

Introduction

Thank you for choosing the T3/T3X Bolt Handle Stem from Mountain Tactical. This product is designed to enhance your shooting experience by providing better control over your rifle. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that all safety precautions are followed to prevent accidents and injuries.
- Always handle firearms with care and treat every weapon as if it is loaded.
- Keep the product and all related accessories out of reach of children and unauthorized users.
- Regularly inspect your bolt handle and rifle for signs of wear or damage.
- Follow all local laws and regulations regarding firearm modifications and accessories.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use gloves when manipulating the bolt to ensure a secure grip.
- Avoid using excessive force when cycling the bolt to prevent damage to the handle or the rifle.
- Be aware of your surroundings and ensure that your shooting area is safe and secure.
- Do not attempt to modify or alter the bolt handle stem beyond its intended use.
- If you experience any issues with the handle, discontinue use and consult a professional.

Instructions for Installation and Usage

1. Installation

- Ensure your rifle is unloaded and pointed in a safe direction.
- Remove the existing bolt handle if applicable.
- Thread the T3/T3X Bolt Handle Stem onto the bolt using the industry standard 5/1624 thread.
- Tighten securely but do not overtighten to avoid damage.

2. Usage

- To cycle the bolt, grip the larger diameter knob firmly.
- Pull back on the knob to eject the spent round.
- Push forward to chamber a new round while maintaining your sight alignment.
- Practice cycling the bolt in a safe environment to become familiar with the new handle.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not throw away in regular household waste. Check for local recycling programs for metal materials.
- Ensure that all firearm-related products are securely stored until disposal.

Contact Information for Further Support

For any questions or concerns regarding the T3/T3X Bolt Handle Stem, please refer to the manufacturer's website or contact customer support for assistance.

Thank you for your attention to these safety guidelines. Enjoy your enhanced shooting experience with the T3/T3X Bolt Handle Stem!
