

T3/T3X BOLT HANDLE KITS - MOUNTAIN TACTICAL T3/T3X BOLT HANDLE KIT - KNURLED

[Rifle Parts](#) > [Bolt Parts](#) > [Charging Handle Parts](#) > [Charging Handles](#)

These Mountain Tactical Bolt Handles are designed to give you more control over your rifle. The longer handle makes cycling the bolt easier allowing you to eject and chamber a round without taking your sights off your target. A larger diameter bolt knob increases tactility making positive bolt manipulation while wearing gloves a more confident and safe action. Of course, at the end of the day, they just look awesome! Not sure which handle you want to choose? No problem! The austenitic stainless steel handle stem is thread with an industry standard 5/16-24 thread to accept other Mountain Tactical Bolt Knobs or other knobs from manufacturers such as Badger Ordnance, etc. You can switch out knobs with ease. Specifications: Handle Stem Material - Stainless Steel Handle Stem Finish - Mill Finish Bolt Knobs - 6061-T6 Billet Aluminum Bolt Knob Finish - Hard Anodized

T3/T3X Bolt Handle Kits Safety Instruction Guide

Introduction

Thank you for choosing the T3/T3X Bolt Handle Kit from Mountain Tactical. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the product is suitable for your specific rifle model (Tikka T3 or T3x).
- Always handle firearms and accessories with care and follow all local laws and regulations regarding firearms.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the bolt handle for any signs of wear or damage before use.
- Do not modify or alter the bolt handle in any way, as this may compromise its safety and functionality.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using your rifle.
- Ensure that the rifle is unloaded before installing or adjusting the bolt handle.
- When cycling the bolt, maintain a firm grip on the handle to prevent slipping, especially when wearing gloves.
- Be aware of your surroundings and ensure that the area is clear of people and obstacles before discharging the firearm.
- If you experience any difficulties while using the bolt handle, stop using it immediately and consult a professional.

Instructions for Installation and Usage

1. Installation:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Remove the existing bolt handle by unscrewing it from the bolt stem.
- Align the new Mountain Tactical bolt handle with the bolt stem.
- Securely fasten the bolt handle by screwing it onto the stem using the provided 5/1624 thread.
- Confirm that the handle is tightly secured and does not wobble.

2. Usage:

- To cycle the bolt, pull the handle back to the rear position, then push it forward to chamber a round.
- Practice cycling the bolt to familiarize yourself with the handle's operation and feel.
- Ensure that you maintain a proper shooting stance and keep your sights aligned on the target while operating the bolt.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the bolt handle becomes damaged beyond repair, dispose of it in a manner that prevents accidental use or injury.
- Recycle materials where possible, following local recycling guidelines.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your T3/T3X Bolt Handle Kit from Mountain Tactical. Always prioritize safety when handling firearms and accessories.
