

C2 FOLDING FRONT SIGHTS - ULTRADYNE USA C2 FOLDING FRONT SIGHT - BLADE

[Rifle Parts](#) > [Sights](#) > [Front Sights](#)

Reliable, Adjustable Front Sights

The Ultradyne C2 Folding Front Sights keep you on the target and ready to pull the trigger by not obstructing the target, and prevents you from altering your shooting technique to account for a sight system that doesn't facilitate proper shooting habits. Ultradyne C2 Folding Front Sights use a tool-less elevation adjustment so you can make adjustments on the go, a total of 28 MOA. Made in the USA Available in either 12MOA aperture or blade style post $\frac{1}{2}$ MOA per click windage adjustable C2 Folding Front Sights from Ultradyne blend stainless steel and aluminum components to ensure strength and durability, while remaining lightweight. Truly, the total package.

Safety Instruction Guide for C2 Folding Front Sights

Introduction

Thank you for choosing the Ultradyne C2 Folding Front Sights. These sights are designed to enhance your shooting experience while ensuring safety and precision. This guide provides important safety instructions and guidelines to help you use the product effectively and safely.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure that your shooting environment is safe and free from obstructions.
- Always wear appropriate eye and ear protection when using firearms.
- Store the C2 Folding Front Sights in a secure location, away from children and unauthorized users.
- Regularly inspect the sights for damage or wear before use.
- Do not modify the C2 Folding Front Sights in any way that could compromise their safety or functionality.
- Be aware of your target and what lies beyond it at all times.

Specific Safety Precautions for Use

- Ensure the firearm is unloaded before installing or adjusting the sights.
- Use only compatible firearms with the C2 Folding Front Sights to avoid malfunction or accidents.
- Adjust the elevation and windage settings only when the firearm is pointed in a safe direction.
- Do not exceed the recommended adjustments (28 MOA elevation and $\frac{1}{2}$ MOA per click windage).
- If you experience any issues with the sights, cease use immediately and consult a qualified gunsmith or the manufacturer.
- Keep the sights clean and free from debris to ensure proper function.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded.
- Using a tool (if necessary), attach the C2 Folding Front Sights securely to the designated mounting area on your firearm.
- Verify that the sights are aligned correctly and are stable.

2. Adjustment

- To adjust elevation, use the toolless adjustment feature. Turn the adjustment knob clockwise to raise the point of impact and counterclockwise to lower it.
- For windage adjustments, turn the adjustment knob clockwise to move the point of impact right and counterclockwise to move it left.
- Make adjustments in small increments and test fire to confirm accuracy.

3. Usage

- Once installed, practice aiming and shooting with the sights at a safe and controlled range.
- Familiarize yourself with the sight picture and ensure it does not obstruct your view of the target.
- Regularly check the stability and alignment of the sights during use.

Disposal Instructions

- When the C2 Folding Front Sights reach the end of their life cycle or are no longer in use, dispose of them responsibly.
- Follow local regulations for the disposal of metal and electronic components.
- Consider recycling materials where possible to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the C2 Folding Front Sights, please refer to the manufacturer's website or contact their customer support for assistance.

Conclusion

The Ultradyne C2 Folding Front Sights are designed for safety and performance. By following the guidelines in this safety instruction guide, you can ensure a safe and enjoyable shooting experience. Always prioritize safety and responsibility when handling firearms and accessories.
