C2 Folding Front and Rear Sight Combo Safety Instructions

Introduction

Thank you for purchasing the Ultradyn C2 Folding Front and Rear Sight Combo. This guide provides essential safety instructions to ensure you use the product safely and effectively. Please read this document carefully before using the sight combo.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or adjusting the sight.
- Use the sight only on firearms that are compatible with its specifications.
- Follow all local laws and regulations regarding firearm use and accessories.
- Store the sight in a safe place, away from children and unauthorized users.
- Regularly inspect the sight for any signs of damage or wear before each use.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the sight is securely attached to the firearm before use.
- Avoid using the sight in extreme weather conditions that could affect its performance.
- Do not attempt to modify or alter the sight in any way.
- Use proper eye and ear protection when using firearms equipped with the sight.
- Be aware of your surroundings and ensure a safe shooting environment.
- If you experience any malfunctions or issues with the sight, cease use immediately and seek assistance.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded.
- Locate the mounting area on your firearm where the sight will be attached.
- Align the sight with the mounting area and securely fasten it using the provided hardware.
- Check that the sight is stable and does not move when touched.

2. Adjustment:

- Use the toolless elevation adjustment feature to set the sight according to your shooting needs.
- Adjust windage and elevation as necessary for accurate targeting.
- Test the sight at a safe shooting range to ensure proper alignment and functionality.

3. Usage:

- Familiarize yourself with the dual aperture system and how to switch between apertures.
- Practice aiming and shooting with the sight to improve your accuracy and comfort.
- Always follow safe shooting practices, including keeping the firearm pointed in a safe direction.

Disposal Instructions

- When the sight reaches the end of its life cycle or is no longer usable, dispose of it in accordance with local regulations for electronic waste and firearm accessories.
- Do not throw the sight in regular household waste.

- Contact local waste management authorities for proper disposal guidelines.
