C2 Folding Front and Rear Sight Combo Safety Instructions

Introduction

Thank you for choosing the Ultradyne C2 Folding Front and Rear Sight Combo. This product is designed to enhance your shooting experience by providing precision and reliability. It is important to follow the safety guidelines outlined in this document to ensure safe usage and optimal performance.

General Safety Guidelines

- Always treat the sight as if it is loaded and ready to use.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep the sight and firearm clean and wellmaintained to ensure proper functioning.
- Be aware of your surroundings and ensure that no one is in your line of fire.
- Use only the recommended accessories and components with this sight.
- Store the sight and firearm in a secure location, out of reach of children and unauthorized users.
- Regularly check for any recalls or safety alerts regarding the product.

Specific Safety Precautions for Use

- Ensure that the sight is securely mounted to your firearm before use.
- Do not attempt to make adjustments while the firearm is loaded or in a potentially dangerous situation.
- Be cautious of the sight's sharp edges during installation and adjustments.
- Avoid exposing the sight to extreme temperatures or moisture, which could affect its performance.
- Always wear appropriate eye and ear protection while using the firearm equipped with this sight.
- If you notice any damage or malfunction, discontinue use immediately and consult a qualified technician.

Instructions for Installation and Usage

1. Installation

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Remove any existing sights if necessary.
- Align the Ultradyne C2 Folding Front and Rear Sight Combo with the mounting points on your firearm.
- Securely fasten the sight using the provided hardware, ensuring that it is tight but not overtightened.
- Check the alignment of the sight to ensure it is straight and properly positioned.

2. Usage

- Before shooting, adjust the windage and elevation settings according to your preferences.
- Use the dual aperture system for various shooting scenarios and distances.
- Practice target acquisition with the 12MOA front sight to enhance your shooting skills.
- Regularly check the sight for any loosening or misalignment before use.
