

C2 FOLDING OFFSET REAR SIGHT - ULTRADYNE USA C2 FOLDING REAR OFFSET SIGHT

[Rifle Parts](#) > [Sights](#) > [Rear Sights](#)

Nothing is Better than a Good Backup Plan

The Ultradyn C2 Folding Rear Offset Sight offers the performance and durability you would expect, but it also gives you something far more important; a reliable backup for your optic of choice. No matter what optic you choose it could fail, and offset sights let you keep your primary optic mounted, but have that failsafe in place should something go wrong. C2 Folding Rear Offset Sights from Ultradyn give you the same options that the non-offset model does, with the ability to choose or switch between the .70 aperture or ghost ring. As a bonus, the oversized windage knob can store the aperture when you opt to go with the ghost ring. The windage knob also has a reliable, positive click so when making adjustments you don't have to guess if you've made a ½ MOA adjustment. 45-degree offset For right-handed shooters Made in the USA The Ultradyn C2 Folding Rear Offset Sight doesn't disappoint with its performance, or its build quality. The combination of 416SS and 6061 aluminum alloy delivers a product that is reliable, strong, and durable, while still maintaining a lightweight and usable product.

Safety Instruction Guide for C2 Folding Offset Rear Sight

Introduction

Thank you for choosing the Ultradyne C2 Folding Rear Offset Sight. This guide provides important safety instructions and guidelines to ensure safe usage of the product. Please read this document carefully before installation and use.

General Safety Guidelines

- Always ensure that the sight is properly mounted and secured before use.
- Regularly inspect the sight for any signs of damage or wear.
- Use only compatible optics with the C2 Folding Rear Offset Sight.
- Keep the sight and all related equipment away from children and unauthorized users.
- Follow all local laws and regulations regarding the use of firearm accessories.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded and pointed in a safe direction when installing or adjusting the sight.
- Avoid making adjustments to the sight while the firearm is loaded.
- Do not use the sight in extreme weather conditions (e.g., heavy rain, snow, or extreme heat) without proper protection.
- Be aware of your surroundings and ensure a clear line of sight when using the sight.
- If you experience any malfunction or failure of the sight, discontinue use immediately and seek assistance.

Instructions for Installation and Usage

Installation

1. **Prepare the Firearm:** Ensure that the firearm is unloaded and pointed in a safe direction.
2. **Select Mounting Location:** Choose an appropriate location on the firearm for the sight. Ensure it is compatible with your setup.
3. **Attach the Sight:**
 - Align the sight with the mounting platform.
 - Secure the sight using the provided screws or mounting hardware. Ensure that it is tightly fastened.
4. **Adjust the Windage and Elevation:**
 - Use the windage knob to make adjustments as needed.
 - Ensure that the adjustments are made in small increments and check alignment frequently.

Usage

1. **Check Alignment:** Before firing, ensure that the sight is properly aligned with your optic.
2. **Make Adjustments:** If necessary, make adjustments to the sight while in a safe and controlled environment.
3. **Store Safely:** When not in use, store the sight in a safe and secure location, away from children.

Disposal Instructions

- Dispose of the sight in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the sight in regular household waste.

- Consider recycling options for the materials used in the sight.

Contact Information for Further Support

For any inquiries or support regarding the Ultradyné C2 Folding Rear Offset Sight, please refer to the manufacturer's website or customer service resources.

By following these safety instructions, you can ensure a safe and effective experience with your Ultradyné C2 Folding Rear Offset Sight. Always prioritize safety and proper handling practices when using firearm accessories.
