## The Offset Front Sight to Keep You Engaged

The Ultradyne C2 Folding Front Offset Sight is what you need to ensure no matter what happens, you can stay engaged and on target. Whether your rifle is set up for long-range shooting, or you just wanted a backup to your primary optic, an offset sight set is the perfect solution to ensure you always have a failsafe aiming system for short to intermediate distances, and nobody does it better than Ultradyne. The C2 Folding Front Offset Sight from Ultradyne is easy to get sighted in thanks to the fully adjustable windage and elevation knobs regardless if you choose the 12MOA aperture front sight, or the blade style. However you prefer to configure your sights, you have options. 416SS and 6160 Aluminum alloy construction CNC designed and machined in the USA For right-handed shooters The Ultradyne C2 Folding Front Offset Sight is situated at a 45-degree angle, so you don't have to worry about clearance issues with your primary optic, but can go into any situation knowing that whatever happens, you're prepared to stay engaged.

# Safety Instruction Guide for C2 Folding Offset Front Sight Sets

## Introduction

Thank you for choosing the Ultradyne C2 Folding Front Offset Sight. This guide provides essential safety information and instructions to ensure the safe use and maintenance of your product. Please read this guide carefully before using your sight.

## General Safety Guidelines

- Product Safety:** Ensure safe use of the C2 Folding Front Offset Sight by following all instructions and safety precautions outlined in this guide.
- Enhanced Recalls:** Stay informed about any potential recalls related to this product. If notified, follow the instructions provided for returning or exchanging the product.
- Online Shopping:** If purchased online, ensure that the retailer complies with EU safety requirements.
- Special Consumer Focus:** This product is intended for use by adults. Keep out of reach of children to prevent accidents or injuries.
- EU Contact Point:** If you have safety inquiries or concerns, please reach out to the designated EU contact point for assistance.
- Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety and recalls.

## Specific Safety Precautions for Use

- Avoid Modifications:** Do not modify the sight in any way. Alterations can compromise safety and performance.
- Proper Handling:** Always handle the sight with care to prevent damage. Avoid dropping or striking the sight against hard surfaces.
- Compatibility Check:** Ensure the sight is compatible with your firearm before installation. Consult the manufacturer's specifications if unsure.
- Clearance Awareness:** When using the sight, be aware of your primary optic and ensure there is sufficient clearance to avoid obstruction.
- Regular Inspections:** Periodically inspect the sight for any signs of wear or damage. If any issues are detected, discontinue use immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your firearm is unloaded before installation.
- Locate the mounting area on your firearm where the sight will be attached.
- Align the sight with the mounting points and secure it using the provided hardware.
- Adjust the sight to the desired angle (45 degrees) for optimal use.
- Tighten all screws firmly but avoid overtightening, which may damage the sight or firearm.

### 2. Usage:

- Familiarize yourself with the sight's features, including windage and elevation adjustments.
- To adjust windage, turn the knob according to the desired direction of adjustment.
- To adjust elevation, turn the knob accordingly to raise or lower the point of aim.
- Practice using the sight in a controlled environment to ensure proficiency before engaging in live shooting scenarios.
- Always wear appropriate eye and ear protection while using firearms.

## Disposal Instructions

- **Responsible Disposal:** When disposing of the Ultradyne C2 Folding Front Offset Sight, do so in accordance with local regulations for electronic waste and materials.
- **Recycling:** If possible, recycle the materials. Check with local recycling facilities for guidelines on disposing of aluminum and other components.

## Contact Information for Further Support

For any questions or concerns regarding the Ultradyne C2 Folding Front Offset Sight, please refer to the manufacturer's website or contact the retailer from whom you purchased the product. They will provide further assistance and support related to product safety and usage.

Thank you for your attention to these safety instructions. Enjoy using your Ultradyne C2 Folding Front Offset Sight responsibly and safely.
