

# AR-15 Nighthawk Flash Hider 5.56mm - Ultradyne USA Nighthawk Flash Hider, 5.56/.223, 1/2x28 Threads

[Rifle Parts](#) > [Muzzle Devices](#) > [Flash Hiders](#)

## Keep Your Night Vision Intact While Shooting

The Ultradyne Nighthawk Flash Hider, 5.56/.223, ½" x 28 threads is a must for anyone that might be doing shooting at night. Acquiring your night vision in low-light conditions is critical to performance in those conditions, but when muzzle flash changes the ambient light, your vision suffers. Enter the Ultradyne Nighthawk. The Ultradyne Nighthawk Flash Hider is a birdcage-style flash suppressor that reduces the amount of muzzle flash seen by your eyes, to keep your night vision as intact as possible. You'll also notice a reduction in muzzle rise, improving the speed of follow-up shots and accuracy. Because it uses a solid undercarriage, there is also less chance of a dust cloud forming while shooting in the prone position. Black nitride finish For use with 5.56/.223 AR-15 platforms 416 stainless steel construction The Ultradyne Nighthawk Flash Hider comes with a timing nut to help make installation a snap, and at just .875" diameter, doesn't add unnecessary bulk to your rig.

# Safety Instruction Guide for AR15 Nighthawk Flash Hider 5.56mm Ultradyne USA

## Introduction

The Ultradyne Nighthawk Flash Hider is designed for use with 5.56/.223 caliber AR15 platforms. This product enhances shooting performance in lowlight conditions by reducing muzzle flash and improving accuracy. It is essential to follow all safety guidelines and instructions to ensure safe and effective use of this product.

## General Safety Guidelines

- Ensure that the product is used only as intended and in accordance with the manufacturer's instructions.
- Always handle firearms and associated equipment with care and respect.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the flash hider for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform for the latest safety information.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when shooting.
- Ensure that the firearm is unloaded and safe to handle before installing or removing the flash hider.
- Do not exceed the manufacturer's recommended caliber specifications.
- Avoid using the flash hider in situations where it may cause injury or harm to yourself or others.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Use a wrench to loosen the existing muzzle device if applicable.
- Align the Ultradyne Nighthawk Flash Hider with the 1/228 threads of the barrel.
- Handtighten the flash hider onto the barrel, ensuring it is secure.
- Use the timing nut included to adjust the position of the flash hider as needed.
- Confirm that the flash hider is properly installed and secure before use.

### 2. Usage:

- Always check the muzzle direction before firing.
- Maintain a firm grip on the firearm when shooting to minimize recoil.
- Monitor the performance of the flash hider during use; if any issues arise, discontinue use immediately.
- Clean the flash hider regularly to ensure optimal performance.

## Disposal Instructions

- Dispose of the product according to local regulations regarding firearms accessories.
- Do not dispose of the product in regular household waste. Check for designated disposal sites for hazardous materials if applicable.

## **Contact Information for Further Support**
