## Folding Rear Sight with a Feature You Won't See Coming

The Ultradyne C4 Folding Rear Sight, 7.62/.308 offers something you probably associate only with traditional optics, not iron sights; ballistic abilities. You'd be wrong though, with the C4 from Ultradyne having 50-yard ballistic increments designed into the sight from 200 to 600 yards. Is it the most advanced folding sight system ever? Maybe. The Ultradyne C4 Folding Rear Sight takes advantage of the natural benefits of the circle-within-a-circle sight picture that naturally works with how your brain already wants to aim. Target acquisition gets faster and accuracy gets better. Don't cover your target, look at it! Single-handed flip up operation Ballistically designed to work with 7.62/.308 rounds Made in the USA The Ultradyne C4 Folding Rear Sight works best when paired with the C4 folding front sight.

# Safety Instructions for the Ultradyne C4 Folding Rear Sight, 7.62/.308

## Introduction

Thank you for purchasing the Ultradyne C4 Folding Rear Sight, 7.62/.308. This guide provides essential safety instructions to ensure the safe and effective use of your new sight. Please read this document carefully before installation and usage.

## General Safety Guidelines

- Always handle your sight and firearm with care.
- Ensure that the sight is properly installed before use.
- Use only with compatible firearms and ammunition.
- Keep the sight and firearm out of reach of children and unauthorized users.
- Regularly inspect the sight for any signs of wear or damage.
- Do not use the sight if it appears to be damaged or malfunctioning.
- Follow all local laws and regulations regarding firearm use and accessories.

## Specific Safety Precautions for Use

- Ensure your firearm is unloaded before installing or adjusting the sight.
- Always verify that the sight is securely attached before firing.
- When using the sight, maintain a proper shooting stance and grip.
- Be aware of your surroundings and ensure a clear line of sight before firing.
- Do not cover your target; focus on it for better accuracy.
- Use the sight in appropriate lighting conditions for optimal visibility.
- Avoid using the sight in extreme weather conditions that may impair its functionality.

## Instructions for Installation and Usage

### Installation

1. **Unpack the Sight:** Carefully remove the Ultradyne C4 Folding Rear Sight from its packaging.
2. **Check Components:** Ensure that all components are present and in good condition.
3. **Mounting the Sight:**
  - Align the sight with the mounting rail on your firearm.
  - Securely fasten the sight using the provided screws or mounting mechanism.
  - Doublecheck that the sight is stable and does not move when touched.
4. **Adjusting the Sight:**
  - Follow the manufacturer's guidelines for sight adjustments.
  - Make sure to adjust for windage and elevation as needed for your shooting distance.

### Usage

1. **Preparation:**
  - Ensure your firearm is loaded with 7.62/.308 rounds.
  - Position yourself in a safe shooting stance.
2. **Aiming:**
  - Use the circlewithinacircle sight picture to align your aim.
  - Focus on your target rather than the sight itself for improved accuracy.
3. **Firing:**
  - Confirm that your target area is safe before pulling the trigger.
  - Maintain control of your firearm while shooting.

## **Disposal Instructions**

When the Ultradyne C4 Folding Rear Sight reaches the end of its life or is no longer usable, dispose of it responsibly: \* Follow local regulations for the disposal of firearm accessories. \* If the sight is damaged, consider recycling any metal components where possible. \* Do not dispose of the sight in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the Ultradyne C4 Folding Rear Sight, please refer to the manufacturer's website or customer service resources.

By adhering to these safety instructions, you can ensure the safe and effective use of your Ultradyne C4 Folding Rear Sight, 7.62/.308. Always prioritize safety and responsible firearm handling.
