## High-Tech Performance from a Folding Sight

The Ultradyn C4 Folding Front and Rear Sight Combo, 7.62/.308 delivers an aiming system that more clearly matches how your brain would prefer to process information. Paired with an innovative ballistic system for the 7.62/.308 rounds, you have perhaps the most accuracy-minded sight system available for your AR10 platform. The Ultradyn C4 Folding Front and Rear Sight Combo pairs the circle-within-a-circle aiming system with a ballistic calibration system that will keep you on target from 200 to 600 yards in 50-yard increments. While you might think that kind of ballistic calibration is only possible with traditional optics, you would be mistaken. Flip-up design Mounts directly on picatinny rail Steel nitride construction The Ultradyn C4 Folding Front and Rear Sight Combo allow you to adjust for windage and elevation with both the front and rear sight. All of this is delivered in a compact, lightweight, folding sight system.

# Safety Instruction Guide for the AR .308 C4 Folding Front and Rear Sight Combo

## Introduction

Thank you for choosing the Ultradyne C4 Folding Front and Rear Sight Combo for your AR .308 platform. This guide provides important safety information, installation instructions, and usage guidelines to ensure you use the product safely and effectively. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure the product is suitable for your firearm and intended use.
- Always handle the sight system with care to avoid damage.
- Keep the sight system away from children and unauthorized users.
- Regularly inspect the sight for any signs of wear or damage.
- Do not modify the sight system in any way, as this may compromise safety and performance.
- In case of any malfunction or damage, stop using the product immediately and seek assistance.

## Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before installing or adjusting the sight.
- Use the sight only in accordance with the manufacturer's instructions.
- Avoid using the sight in extreme weather conditions that may impair visibility or functionality.
- Be aware of your surroundings and ensure a safe shooting environment.
- When adjusting the windage and elevation, do so gradually and test the adjustments at a safe distance.
- Always wear appropriate eye protection while using the sight and firearm.

## Instructions for Installation and Usage

### Installation

1. Ensure your firearm is unloaded and pointed in a safe direction.
2. Locate the picatinny rail on your AR .308 platform.
3. Align the Ultradyne C4 Folding Front and Rear Sight Combo with the rail.
4. Securely mount the sight to the rail using the provided mounting hardware.
5. Ensure the sight is firmly attached and does not move when adjusted.

### Usage

- To adjust the windage and elevation:
  - Use the adjustment knobs located on both the front and rear sights.
  - Turn the knobs according to the manufacturer's instructions to achieve the desired alignment.
- The sight features a flipup design for easy deployment. Ensure the sight is fully deployed before use.
- Practice using the sight at various distances to familiarize yourself with its capabilities.

## Disposal Instructions

- Dispose of the sight system in accordance with local regulations.
- If the sight is damaged beyond repair, contact your local waste management authority for proper disposal methods.
- Do not dispose of the sight in regular household waste.

## **Contact Information for Further Support**

For safety inquiries or further assistance regarding the Ultradyné C4 Folding Front and Rear Sight Combo, please refer to the manufacturer's website or contact their customer support team directly.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure the safe and effective use of the Ultradyné C4 Folding Front and Rear Sight Combo. Always prioritize safety and responsible firearm handling practices. Thank you for your attention to these important guidelines.
