# TACTICAL LIGHT MOUNT Safety Instruction Guide

## Introduction

Thank you for choosing the TACTICAL LIGHT MOUNT by MIDWEST INDUSTRIES. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before installation and usage.

## General Safety Guidelines

- Ensure the Tactical Light Mount is compatible with your AR series rifle before installation.
- Always follow the installation instructions to avoid any potential hazards.
- Regularly inspect the Tactical Light Mount for signs of wear or damage.
- Keep this product out of reach of children and vulnerable individuals.
- In case of any malfunction or safety concerns, discontinue use immediately and seek support.

## Specific Safety Precautions for Use

- Only use the Tactical Light Mount as intended; do not modify or alter it.
- Ensure that the Tactical Light Mount is securely tightened before use to prevent movement during operation.
- Be cautious while handling tools during installation to avoid injury.
- If using the Tactical Light Mount in adverse weather conditions, ensure that it is properly secured to prevent it from loosening.
- Avoid using the Tactical Light Mount in environments where it may be exposed to extreme heat or corrosive substances.

## Instructions for Installation and Usage

### 1. Installation:

- Gather the necessary tools (a screwdriver).
- Ensure your rifle is unloaded and safe before beginning the installation.
- Locate the standard front sight housing on your AR series rifle.
- Align the Tactical Light Mount with the front sight housing.
- Use the provided screw to secure the Tactical Light Mount in place. Tighten the screw until it is snug, but do not overtighten.
- Ensure that the Tactical Light Mount is firmly in place and does not move.

### 2. Usage:

- Attach your tactical light to the picatinny rails of the Tactical Light Mount.
- Ensure that the tactical light is securely fastened and does not wobble.
- Test the functionality of the tactical light before use to ensure proper operation.

## Disposal Instructions

- Dispose of the Tactical Light Mount in accordance with local regulations.
- Do not dispose of the product in household waste.
- Check if there are any specific recycling programs or facilities that accept tactical equipment in your area.

## **Contact Information for Further Support**

For further assistance or inquiries regarding safety, please refer to the product packaging or visit the manufacturer's website for contact details.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of your TACTICAL LIGHT MOUNT. Always prioritize safety and stay informed about any updates or recalls regarding your product. Thank you for your attention to safety.
