Safety Instruction Guide for AR15 Gas Block Low Profile

Introduction

Thank you for choosing the AR15 Gas Block Low Profile by Midwest Industries. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this manual carefully before installation and usage.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the gas block for any signs of wear or damage before use.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Installation Precautions:**
 - Use appropriate tools and follow installation instructions closely.
 - Ensure the firearm is unloaded before beginning installation.
- **Usage Precautions:**
 - Do not exceed the specified barrel sizes for the gas block.
 - Avoid using the gas block with incompatible components.
 - Monitor the gas block during use for any unusual noises or movements.
- **Maintenance Precautions:**
 - Clean the gas block regularly to prevent buildup of residue.
 - Store the gas block in a dry place to avoid corrosion.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have the necessary tools: Allen wrench, cleaning cloth, and a torque wrench.
- Verify that the firearm is completely unloaded.

2. Installation Steps:

- Select the appropriate size gas block for your barrel (.875" in this case).
- Position the gas block on the barrel, ensuring it is aligned correctly.
- Secure the gas block using the three steel setscrews provided. Tighten each setscrew gradually to ensure even pressure.
- Recheck the alignment and tightness of the gas block.

3. Usage Instructions:

- After installation, conduct a function check to ensure proper operation.
- Use the firearm in a safe and controlled environment.
- Always wear appropriate safety gear, including eye and ear protection.

4. PostUsage Care:

- Clean the gas block after each use to maintain performance.
- Inspect the gas block for any signs of damage or wear before the next use.

Disposal Instructions

- Dispose of the gas block in accordance with local regulations.
- Do not dispose of the gas block in regular household waste if it is damaged or defective.
- Consider recycling the metal components if applicable.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of this product, please refer to the official contact points provided by the manufacturer or your retailer.

Thank you for your attention to these safety guidelines. Your safety and the effective functioning of your AR15 Gas Block are our top priorities. Please follow these instructions carefully to ensure a safe and enjoyable experience.
