# Safety Instruction Guide for AR15 2Piece Handguards

## Introduction

Thank you for choosing the Midwest Industries AR15 2Piece Handguards. This guide provides essential safety instructions to ensure the safe use, installation, and maintenance of your handguard. Please read this guide carefully and follow all instructions to maximize safety and performance.

## General Safety Guidelines

- Ensure that the handguard is compatible with your AR15 model before installation.
- Always handle firearms with care and follow standard safety protocols.
- Keep the handguard and all firearm accessories out of reach of children and unauthorized users.
- Regularly inspect the handguard for signs of damage or wear. Do not use if damaged.
- Use only approved accessories and attachments with the handguard to avoid safety hazards.
- Be aware of your surroundings when using your firearm, and ensure a safe shooting environment.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Only use the handguard with firearms that have been properly maintained and inspected.
- Do not modify the handguard or firearm in any way that is not recommended by the manufacturer.
- Ensure that the handguard is securely attached before handling the firearm.
- Avoid using the firearm in adverse weather conditions that may affect the handguard's performance.
- Be cautious of hot surfaces after firing, as the handguard may retain heat.

## Instructions for Installation and Usage
