[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

## Enhance Your AR-15 Handguard

While the traditional delta-ring AR-15 handguard is a nice option on a throwback gun, modern-day rifle owners need something a bit more versatile. The Midwest Industries AR-15 Free-Float Handguard gives AR owners a chance to upgrade their rifle easily. The Midwest Industries AR-15 Free-Float Handguard can be installed on any AR-15 within mere minutes, provided that users have completely removed the delta ring on their gun. After replacing, users will find a continuous Picatinny top rail that allows for enhanced versatility in mounting optics and other accessories. Handguard is M-LOK-compatible Machined from 6061 aluminum Features hard-coat anodized black finish Completely made in the USA The two-piece design of the Midwest Industries AR-15 Free-Float Handguard is available in carbine, mid-length and rifle-length configurations and comes with four quick-detach sling-swivel sockets.

# Safety Instruction Guide for AR15 2Piece Handguards Free Float MLOK

## Introduction

Thank you for choosing the Midwest Industries AR15 2Piece Handguards Free Float MLOK. This guide provides essential safety instructions and information to ensure the safe installation and use of your handguard. Please read this document carefully to maximize your safety and product performance.

## General Safety Guidelines

- Ensure the handguard is compatible with your AR15 model before installation.
- Always handle firearms safely and responsibly, following all local laws and regulations.
- Keep the handguard and all firearm accessories out of reach of children and unauthorized users.
- Inspect the handguard for any signs of damage or wear before each use.
- Do not exceed the weight limit for mounted accessories as specified by the manufacturer.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Only use the AR15 2Piece Handguards in a manner consistent with the manufacturer's instructions.
- Ensure that the delta ring is completely removed before installation to avoid injury.
- Use appropriate tools for installation to prevent damage to the handguard or firearm.
- Avoid placing any body parts in the vicinity of moving parts during installation and usage.
- When mounted, ensure that all accessories are securely attached to avoid accidents during use.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure your workspace is clean and free of distractions.
- Gather the necessary tools: a wrench or appropriate tool for delta ring removal, and any tools required for securing accessories.

### 2. Removal of Delta Ring

- Carefully remove the delta ring from your AR15 using the appropriate tool.
- Take care to avoid damaging any surrounding components.

### 3. Installation of Handguard

- Align the Midwest Industries AR15 FreeFloat Handguard with the barrel nut.
- Slide the handguard into position, ensuring it is properly seated.
- Secure the handguard according to the manufacturer's instructions.

### 4. Mounting Accessories

- Utilize the continuous Picatinny top rail for mounting optics and accessories.
- Ensure that all accessories are compatible with MLOK and securely fastened.

### 5. Final Inspection

- Once installed, inspect the handguard to ensure that it is securely attached and properly aligned.
- Test the stability of mounted accessories before use.

## **Disposal Instructions**

- Dispose of the handguard and any packaging materials in accordance with local waste disposal regulations.
- Do not dispose of the handguard in fire, as it may release harmful substances.

## **Contact Information for Further Support**

For any inquiries regarding the safety and performance of the Midwest Industries AR15 2Piece Handguards Free Float MLOK, please refer to the manufacturer's contact information provided with your product.

By following these guidelines, you can ensure a safe and effective experience with your Midwest Industries AR15 2Piece Handguards Free Float MLOK. Thank you for your attention to safety.
