Safety Instruction Guide for MINI DRACO HANDGUARD

Introduction

Thank you for choosing the MINI DRACO HANDGUARD by Midwest Industries. This guide provides essential safety instructions to ensure the correct and safe use of your handguard. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure the product is compatible with your firearm before installation.
- Always handle firearms responsibly and follow all local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the handguard for any signs of wear or damage.
- If you notice any defects or issues, discontinue use immediately and contact customer support.

Specific Safety Precautions for Use

- Do not exceed the recommended weight limit on the handguard.
- Avoid using the handguard with accessories that are not compatible with milspec 1913 rails.
- Ensure all accessories are securely attached before handling the firearm.
- Do not modify the handguard in any way, as this may compromise safety.
- Use appropriate eye and ear protection when firing your firearm.

Instructions for Installation and Usage

1. Gather Required Tools

- Ensure you have the wrenches provided in the kit.

2. Installation Steps

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing handguard from your firearm according to the manufacturer's instructions.
- Align the MINI DRACO HANDGUARD with the mounting points on the firearm.
- Use the provided wrenches to tighten the handguard securely.
- Doublecheck that the handguard is firmly attached before use.

3. Usage Guidelines

- After installation, familiarize yourself with the handguard and its features.
- Regularly check the tightness of the handguard and any attached accessories.
- Clean the handguard as needed, using appropriate cleaning materials for aluminum.

Disposal Instructions

- Dispose of the handguard in accordance with local regulations.
- Do not dispose of the handguard in regular household waste. Check for recycling options for aluminum materials.

Contact Information for Further Support

For any safety inquiries or concerns, please reach out to the designated EU contact point provided by the manufacturer. Ensure you have your product details ready for a more efficient response.

Thank you for prioritizing safety and compliance while using the MINI DRACO HANDGUARD. Your attention to these guidelines helps ensure a safe and enjoyable experience.
