QD Scope Mount Safety Instruction Guide

Introduction

Thank you for choosing the Midwest Industries 34mm QD Scope Mount with 1.5" Offset. This guide provides important safety information and instructions to ensure the safe and effective use of your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always inspect the scope mount for any signs of damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding firearm accessories.
- In case of any malfunction or safety concern, cease use immediately and consult a professional.

Specific Safety Precautions for Use

- Use only with scopes that have up to a 56mm objective.
- Ensure that the scope mount is securely attached to the rail before use.
- Do not exceed the recommended weight limit of the scope mount.
- Avoid using the scope mount in extreme weather conditions unless specified.
- Do not modify the scope mount in any way, as this may compromise safety and performance.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction before beginning installation.
- Clean the rail surface to remove any dirt or debris.
- Align the scope mount on the rail, ensuring that it fits securely without forcing it.
- Use the multifaceted adjustment nut to achieve the desired tension. Adjust without tools for convenience.
- Confirm that the mount is tight and secure before attaching the scope.

2. Usage:

- After installation, check the alignment of the scope.
- Ensure that the QD lever operates smoothly and is functioning correctly.
- Regularly check the tightness of the mount during use, especially after heavy use or after transport.
- If you notice any looseness or movement, readjust the mount immediately.

Disposal Instructions

- Dispose of the product in accordance with local regulations for aluminum and metal waste.
- Do not dispose of the product in household waste.
- Consider recycling the product to minimize environmental impact.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product support, please contact the manufacturer directly through the provided contact information.

By following these safety instructions and guidelines, you can ensure the safe use of the Midwest Industries 34mm QD Scope Mount with 1.5" Offset. Your safety and satisfaction are our top priorities. Thank you for your attention and responsible use of this product.
