# TRIJICON MRO LOWER 1/3 QD MOUNT SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the Trijicon MRO Lower 1/3 QD Mount. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before installation and usage.

## General Safety Guidelines

- Ensure that the mount is compatible with your firearm before installation.
- Always check for any visible damage or defects before use.
- Use the mount only for its intended purpose.
- Keep the mount out of reach of children and vulnerable individuals.
- Regularly inspect the mount for signs of wear or damage.
- If you notice any issues, discontinue use immediately and seek support.

## Specific Safety Precautions for Use

- Do not exceed the recommended weight limit for accessories mounted on the rail.
- Avoid using the mount in extreme conditions (e.g., excessive heat, moisture) that could affect its performance.
- Ensure that the mount is securely fastened to the rail before use.
- Do not modify the mount in any way, as this may compromise safety and performance.
- Always follow the manufacturer's instructions when adjusting the mount.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools (if applicable) and ensure you have a clean workspace.
- Review the firearm's manual for compatibility with the mount.

### 2. Installation Steps

- Align the mount with the rail on your firearm.
- Slide the mount onto the rail until it is fully seated.
- Use the multifaceted adjustment nut to secure the mount in place. Ensure it is tightened to the desired tension without overtightening.
- Check that the mount is stable and does not move when pulled gently.

### 3. Usage Instructions

- Once installed, ensure that the optic or accessory mounted on the rail is securely attached.
- Regularly check the mount and attachment for stability during use.
- Adjust the mount as necessary to maintain optimal performance.

## Disposal Instructions

- Dispose of the mount in accordance with local regulations.
- If the mount is damaged beyond repair, consider recycling the aluminum material where possible.
- Do not dispose of the mount in regular household waste.

## Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact details provided with your product packaging or visit the official website.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities.
