TRIJICON RMR LOW QD MOUNT Safety Instruction Guide

Introduction

Thank you for choosing the Midwest Industries Trijicon RMR Low QD Mount. This document provides essential safety instructions and guidelines for the safe installation and use of your product. Please read this guide carefully to ensure safe operation and to maximize the performance of your mount.

General Safety Guidelines

- Always ensure that the mount is securely attached before use.
- Regularly inspect the mount for any signs of wear or damage.
- Avoid using the mount in extreme conditions that may compromise its integrity.
- Keep the mount out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the rail surface is clean and free from debris before installation.
- Do not exceed the recommended torque when adjusting the tension.
- Avoid using excessive force during installation or adjustment to prevent damage.
- Do not modify the mount or its components in any way.
- If the mount shows signs of damage or malfunction, discontinue use immediately.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and ensure you are in a welllit workspace.
- Review the product components and ensure everything is included.

2. Installation

- Align the mount with the rail on your firearm.
- Secure the mount by tightening the QD lever until it is snug. Ensure it is not overly tight to prevent damage to the rail.
- Use the multifacettet adjustment nut to set the desired tension. Adjust until the mount is secure but can still be released easily.

3. Usage

- Once installed, check the stability of the mount by gently shaking it.
- Make adjustments to the tension as needed for optimal performance.
- Regularly check the mount during use to ensure it remains secure.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Recycle components where possible, especially aluminum parts.
- Do not dispose of the mount in household waste if it is damaged or no longer functional.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of your Trijicon RMR Low QD Mount, please reach out to the designated EU contact point provided with your product.

Conclusion

By following these safety guidelines and instructions, you can ensure the safe and effective use of your Midwest Industries Trijicon RMR Low QD Mount. Thank you for your attention to safety, and enjoy your product!
