MCR Carbine Stock Spacer Safety Instruction Guide

Introduction

Thank you for purchasing the MCR Carbine Stock Spacer from Fightlite Industries. This guide provides important safety instructions and guidelines to ensure the safe and effective use of this product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that you are familiar with the operation and safety features of your AR15/M4/M16 lower receiver assemblies before use.
- Always handle firearms and firearm accessories with care and respect.
- Store the MCR Carbine Stock Spacer in a secure location, out of reach of children and unauthorized persons.
- Regularly inspect the product for any signs of damage or wear. If damaged, do not use the spacer and contact your retailer for further assistance.
- Follow all local, state, and national laws regarding the use of firearms and firearm accessories.

Specific Safety Precautions for Use

- This product is designed specifically for use with mil spec carbine length receiver extension tubes (buffer tubes).
- Ensure that the MCR Carbine Stock Spacer is compatible with your firearm model before installation.
- Do not exceed the manufacturer's recommended specifications for use.
- Avoid using the product in extreme conditions that may compromise its integrity or performance.
- If you experience any malfunctions during use, cease operation immediately and seek assistance.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Gather the necessary tools for installation, including a wrench or screwdriver, if required.

2. Installation Steps:

- Remove the existing stock from the receiver extension tube (buffer tube) of your AR15/M4/M16 lower receiver.
- Align the MCR Carbine Stock Spacer with the receiver extension tube.
- Securely attach the spacer, ensuring it is properly seated and tightened according to the manufacturer's specifications.
- Reattach your stock to the receiver extension tube over the spacer.

3. Usage:

- Once installed, ensure that the stock functions correctly with the MCR Carbine Stock Spacer in place.
- Regularly check the connection between the spacer and the stock to ensure it remains secure during use.

Disposal Instructions

- Dispose of the MCR Carbine Stock Spacer in accordance with local regulations regarding plastic and metal waste.
- Do not dispose of the product in regular household waste if it can be recycled. Check with local recycling programs for appropriate disposal methods.

Contact Information for Further Support

For any inquiries regarding the MCR Carbine Stock Spacer, including safety concerns or product support, please refer to the contact information provided by your retailer or visit the manufacturer's website.

Conclusion

By following these safety instructions and guidelines, you can ensure the safe use of the MCR Carbine Stock Spacer. Your safety and the safety of others is of utmost importance. Thank you for choosing Fightlite Industries.
