# RIPBRAKE 5.56 COMPENSATOR SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the FightLite® RipBrake™ Muzzle/Flash Compensator. This product is designed to significantly reduce muzzle rise and improve recoil management and weapon control for your AR15. This guide provides essential safety instructions, installation guidelines, and general information to ensure safe and effective use of the compensator.

## General Safety Guidelines

- Ensure that the compensator is installed properly before use to prevent any accidents.
- Always treat your firearm as if it is loaded, even if it is not.
- Keep the firearm pointed in a safe direction at all times.
- Store the compensator and firearm securely to prevent unauthorized access.
- Use appropriate personal protective equipment (PPE), such as eye and ear protection, when shooting.
- Be aware of your surroundings and ensure that your shooting area is clear of people and pets.
- Regularly inspect the compensator for wear and damage; do not use if damaged.

## Specific Safety Precautions for Use

- Only use the compensator with firearms that are compatible and properly threaded ( $\frac{1}{2}$  x 28 TPI).
- Ensure that the firearm is unloaded before installing or removing the compensator.
- Do not attempt to modify or alter the compensator in any way.
- Be aware that the compensator may increase noise and muzzle blast; use in a controlled environment.
- Always follow local laws and regulations regarding the use of compensators and firearms.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Muzzle Device:** If applicable, use a wrench to carefully remove the existing muzzle device from the firearm.
3. **Clean Threads:** Clean the threads on the barrel to ensure a proper fit.
4. **Install the RipBrake™:**
  - Align the compensator with the threads on the barrel.
  - Handtighten the compensator onto the barrel.
  - Use a wrench to securely tighten the compensator, ensuring it is snug but not overtightened.
5. **Check Alignment:** Ensure that the compensator is aligned properly and does not obstruct the barrel.

### Usage

- After installation, always perform a function check to ensure the firearm operates correctly with the new compensator.
- Follow standard shooting practices and guidelines while using the firearm equipped with the compensator.
- Monitor the compensator for any signs of wear or damage during use.

## Disposal Instructions

- Dispose of the compensator in accordance with local regulations.

- If the compensator is damaged or no longer in use, do not throw it away in regular trash. Instead, contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any questions regarding the use or safety of the FightLite® RipBrake™ Muzzle/Flash Compensator, please refer to the manufacturer's website or contact their support team directly. Ensure you have the product information available for a more efficient response.

By following these guidelines and instructions, you can ensure the safe and effective use of the FightLite® RipBrake™ Muzzle/Flash Compensator. Always prioritize safety and compliance with local laws when handling firearms and accessories.
