

SMC PLATE CARRIER - GREY GHOST GEAR SMC PLATE CARRIER, MULTICAM

[Home](#)

The Plate Carrier That Can Do it All

The SMC Plate Carrier is our most advanced carrier design to date. The SMC (Shoot, Move, Communicate) is everything you've wanted in a lightweight, combat-ready plate carrier. Designed to carry a pair of 10"x12" hard plates or most large SAPI plates, the cummerbund features MOLLE/PALS style webbing for the addition of pouches for side plates if you prefer your kidneys remain non-perforated. The front panel also features an open pocket for maps, water/cable retention or enough room for a fleece watch cap or gloves. This carrier is "one size fits most" thanks to its adjustable shoulder straps and cummerbund, ensuring a snug fit for just about every warrior's body type. Should you find yourself on fire, trapped in a tight spot or unexpectedly going for a swim, the new ROC buckles on one shoulder strap (reversible) and either side of the cummerbund can be rapidly released in case of emergency. These also make putting on the carrier much more convenient when you are in a hurry. The secret sauce behind the SMC is literally in the back. YKK Zippers and webbing on the back panel are designed for attaching any one of the new SMC zippered back panels, so you can specifically tailor your carrier for the mission ahead. All these panels are compatible with SOCOM issued carriers with zippered back panel systems. View the whole line in the SMC Back Panel collection. As for the SMC carrier, breathable mesh is built into the cummerbund and inside faces of the carrier body for enhanced comfort. Interior padding enclosed in weave gives the wearer additional comfort and air channels to wick away moisture. There are six rows of MOLLE/PALS style webbing with built in matching loop material on the top three rows for the option of attaching patches or ID panels. Laser cut laminate nylon gives you all the modularity of traditional MOLLE webbing at a significant reduction in weight while remaining strong and water/chemical resistant. Longevity is also increased as cut edges do not fray after they are heat sealed with the laser.

Attributes

- Name: [GREY GHOST GEAR SMC PLATE CARRIER, MULTICAM](#)
- Manufacturer: [GREY GHOST GEAR](#)
- Product no.: 100075073
- Mfr. No.: GTG0295-5

SMC Plate Carrier Safety Instruction Guide

Introduction

Thank you for choosing the SMC Plate Carrier by Grey Ghost Gear. This guide provides essential safety instructions to ensure the safe and effective use of your new plate carrier. Please read this manual carefully before using the product.

General Safety Guidelines

- Ensure the product is suitable for your intended use and body type.
- Always inspect the plate carrier for any damage or wear before each use.
- Follow all installation and usage instructions to avoid accidents.
- Keep the carrier out of reach of children when not in use.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Proper Fit:** Ensure that the carrier is properly adjusted for your body type. The adjustable shoulder straps and cummerbund should provide a snug fit without restricting movement or breathing.
- **Weight Distribution:** When adding plates or pouches, ensure that the weight is evenly distributed to maintain balance and comfort.
- **Emergency Release:** Familiarize yourself with the ROC buckles on the shoulder strap and cummerbund. Practice the emergency release mechanism to ensure you can quickly remove the carrier if necessary.
- **Avoid Overloading:** Do not exceed the recommended weight capacity of the carrier, as this may compromise safety and comfort.
- **Environmental Considerations:** Be aware of your surroundings when wearing the carrier, especially in hazardous or confined spaces.

Instructions for Installation and Usage

1. **Unpacking the Carrier:** Carefully remove the SMC Plate Carrier from its packaging. Inspect for any visible damage or missing components.
2. **Adjusting the Fit:**
 - Loosen the shoulder straps and cummerbund.
 - Put the carrier on and adjust the shoulder straps until the carrier sits comfortably on your shoulders.
 - Secure the cummerbund around your waist and adjust for a snug fit.
3. **Inserting Plates:**
 - Open the designated compartments for plate insertion.
 - Insert the 10"x12" hard plates or appropriate SAPI plates into the front and back pockets.
 - Ensure the plates are properly seated and secured.
4. **Attaching Pouches:**
 - Use the MOLLE/PALS webbing to attach any additional pouches or accessories.
 - Ensure that all attachments are securely fastened to prevent movement during use.
5. **Using the Carrier:**

- Wear the carrier as intended, ensuring that all straps are adjusted for comfort and security.
- Be mindful of your movements to maintain balance and stability.

6. Emergency Release:

- In case of emergency, pull the ROC buckles to quickly release the carrier.

Disposal Instructions

- Dispose of the SMC Plate Carrier in accordance with local regulations for textile and plastic waste.
- If the product is damaged beyond repair, ensure that it is destroyed to prevent misuse.

Contact Information for Further Support

For any questions or concerns regarding the SMC Plate Carrier, please refer to the manufacturer's website or customer service for assistance.

Thank you for taking the time to read this safety instruction guide. Your safety and satisfaction are our top priorities. Enjoy using your SMC Plate Carrier responsibly!
