

AR-15 MOE K2-XL GRIPS - MAGPUL MOE-K2-XL GRIP POLYMER FOR AR-15/M4 BLACK

[Rifle Parts](#) > [Grip Parts](#) > [Pistol Grips](#)

An AR Grip for Your Large Hands

Don't you hate not being able to find an AR grip that fits those oversized mitts of yours? Magpul's got you covered. The company's K2-XL grip shares many of the same features as Magpul's original MOE-K2 grip design, but it's almost 25 percent bigger than the original. Despite this increased size, the Magpul K2-XL Grip is a drop-in fit for any mil-spec AR-15 lower receiver, giving you the proper grip you need for better control and more accurate shooting. Designed with an angle that's more vertical than most grips, the Magpul K2-XL Grip is purpose-built to move your hand in closer to your body on rifles with a short length of pull. This give you greater comfort and more control, which ultimately helps you make the shots that count. The grip is designed with Magpul's unique Trapezoidal Surface Projections, which enhance control and traction, even in the worst environments you'll find. And when you're in these rough environments, the K2-XL includes a unique XL grip cap that comes with an oil bottle, so you keep your gun running. The Magpul MOE K2-XL Grip is available in black, flat dark earth and OD green, and it's made right here in the USA.

Attributes

Safety Instruction Guide for Magpul MOE K2XL Grip

Introduction

Thank you for choosing the Magpul MOE K2XL Grip for your AR15. This guide provides essential safety instructions and usage guidelines to ensure your safety and the proper functioning of the product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the grip is compatible with your AR15 lower receiver before installation.
- Always handle firearms with care and in accordance with local laws and regulations.
- Keep the grip and firearm out of reach of children and unauthorized users.
- Regularly inspect the grip for any signs of wear or damage.
- Avoid using the grip in extreme conditions that may compromise its integrity.
- If you experience any issues with the grip, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Do not modify the grip in any way, as this may affect its performance and safety.
- When using the firearm, ensure a proper grip to maintain control and accuracy.
- Avoid using the grip if it is wet or covered in substances that may affect traction.
- Always wear appropriate eye and ear protection when operating firearms.
- Be aware of your surroundings and ensure a safe environment before discharging a firearm.

Instructions for Installation and Usage

1. Installation Instructions

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing grip from the lower receiver by unscrewing the mounting screw.
- Align the Magpul MOE K2XL Grip with the lower receiver.
- Secure the grip in place by tightening the mounting screw until snug. Do not overtighten.
- Verify that the grip is firmly attached and does not wobble.

2. Usage Instructions

- Hold the grip firmly with your dominant hand, ensuring your fingers are positioned comfortably.
- Maintain a firm grip while aiming and firing the firearm.
- After use, clean the grip with a soft cloth to remove dirt and debris.
- Store the firearm and grip in a secure location when not in use.

Disposal Instructions

- Dispose of the Magpul MOE K2XL Grip in accordance with local waste management regulations.
- Do not dispose of the grip in regular household waste if it is damaged or contains hazardous materials.
- Consider recycling options if available.

Contact Information for Further Support

For any questions or concerns regarding the Magpul MOE K2XL Grip, please refer to the manufacturer's website

or customer service resources. Ensure that you have the product details and any relevant information ready when seeking support.

Thank you for your attention to these safety instructions. Your safety and the safe use of the Magpul MOE K2XL Grip are our top priorities.
