

# AR-15 MOE K2-XL GRIPS - MAGPUL MOE-K2-XL GRIP POLYMER FOR AR-15/M4 ODG

[Rifle Parts](#) > [Grip Parts](#) > [Pistol Grips](#)

## An AR Grip for Your Large Hands

Don't you hate not being able to find an AR grip that fits those oversized mitts of yours? Magpul's got you covered. The company's K2-XL grip shares many of the same features as Magpul's original MOE-K2 grip design, but it's almost 25 percent bigger than the original. Despite this increased size, the Magpul K2-XL Grip is a drop-in fit for any mil-spec AR-15 lower receiver, giving you the proper grip you need for better control and more accurate shooting. Designed with an angle that's more vertical than most grips, the Magpul K2-XL Grip is purpose-built to move your hand in closer to your body on rifles with a short length of pull. This give you greater comfort and more control, which ultimately helps you make the shots that count. The grip is designed with Magpul's unique Trapezoidal Surface Projections, which enhance control and traction, even in the worst environments you'll find. And when you're in these rough environments, the K2-XL includes a unique XL grip cap that comes with an oil bottle, so you keep your gun running. The Magpul MOE K2-XL Grip is available in black, flat dark earth and OD green, and it's made right here in the USA.

## Attributes

- Name: [MAGPUL MOE-K2-XL GRIP POLYMER FOR AR-15/M4 ODG](#)

# Safety Instruction Guide for AR15 MOE K2XL Grip

## Introduction

Thank you for choosing the AR15 MOE K2XL Grip by Magpul. This guide provides essential safety information and instructions for the proper use of your grip. Please read and follow these instructions carefully to ensure safe operation and to maximize your experience with this product.

## General Safety Guidelines

- Always ensure that your firearm is unloaded before attaching or adjusting the grip.
- Keep the grip and any accessories out of reach of children and unauthorized users.
- Inspect the grip regularly for signs of wear or damage. Do not use the grip if it is damaged.
- Use the grip only on compatible firearms, specifically milspec AR15 lower receivers.
- Follow all local laws and regulations regarding firearm accessories and modifications.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure the grip is properly installed before using your firearm.
- Do not attempt to modify the grip in any way, as this may compromise safety and performance.
- Be aware of your surroundings and ensure a safe shooting environment.
- Practice safe firearm handling at all times, including keeping the muzzle pointed in a safe direction.
- Use the grip as intended to maintain control and accuracy during shooting.

## Instructions for Installation and Usage

### 1. Installation:

- Remove the existing grip from your AR15 lower receiver by unscrewing the grip screw.
- Align the Magpul K2XL Grip with the receiver, ensuring that the grip fits securely.
- Insert the grip screw and tighten it until snug, ensuring that the grip is firmly attached.

### 2. Usage:

- Hold the grip firmly with your dominant hand.
- Position your trigger finger outside the trigger guard until you are ready to shoot.
- Maintain a proper stance and grip to enhance control and accuracy.

## Disposal Instructions

- Dispose of the grip in accordance with local regulations regarding plastic materials.
- If the grip is damaged beyond use, consider recycling options to minimize environmental impact.

## Contact Information for Further Support

For further support or inquiries regarding safety and product information, please contact the manufacturer or your local dealer. Ensure that you have your product details available for reference.

Thank you for your attention to these safety guidelines. Enjoy your experience with the AR15 MOE K2XL Grip and practice safe shooting.
