

QR RAIL GRABBER - MAGPUL QR RAIL GRABBER 17S ADAPTER FOR RRS/ARCA/PICATINNY RAILS

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipod Accessories](#)

A Quick-Release Mounting Plate Designed for Picatinny and ARCA Interfaces

Magpul's making it easy to attach the gear you need to your rifle rail, thanks to the QR Rail Grabber. This quick-release mounting plate is compact and easy to adjust, and it provides a clamping mechanism that doesn't add any bulk to your rifle's front end. Designed primarily for use with the company's bipods, the Magpul QR Rail Grabber will work on any product with an A.R.M.S. 17S footprint. Each Magpul QR Rail Grabber is machined from aluminum, so it'll stand up to the heavy use you'll put it through. There's a textured knob that allows you to adjust the plate when needed, and it sits out of the way so it won't create a snag hazard with your gear. The QR Rail Grabber fits all Picatinny and RRS/ARCA surfaces.

QR Rail Grabber Safety Instructions

Introduction

Thank you for choosing the Magpul QR Rail Grabber. This product is designed to enhance your shooting experience by providing a secure attachment for your gear on rifle rails. It is essential to follow safety guidelines to ensure the safe use of this product. This guide outlines important safety information, installation instructions, and disposal procedures.

General Safety Guidelines

- Always read the product instructions and safety guidelines before use.
- Ensure the QR Rail Grabber is compatible with your rifle and accessories.
- Inspect the QR Rail Grabber for any damage before each use.
- Use the product only for its intended purpose as described in this manual.
- Keep the product out of reach of children and vulnerable individuals.
- If you encounter any issues or notice any defects, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Ensure that the mounting surface is clean and free from debris before installation.
- Do not exceed the weight limit specified for the QR Rail Grabber.
- Regularly check the tightness of the clamping mechanism to prevent accidental detachment.
- Avoid using the QR Rail Grabber in extreme weather conditions that may affect its performance.
- Do not modify the QR Rail Grabber in any way, as this may compromise its safety and effectiveness.
- Always wear appropriate safety gear, such as eye protection, when using firearms.

Instructions for Installation and Usage

Installation Steps

1. Prepare the Mounting Surface:

- Clean the Picatinny, RRS, or ARCA rail where the QR Rail Grabber will be attached.

2. Position the QR Rail Grabber:

- Align the QR Rail Grabber with the desired position on the rail, ensuring it fits securely.

3. Secure the Clamp:

- Use the textured knob to tighten the clamp mechanism. Ensure it is firmly secured but avoid overtightening.

4. Check Stability:

- Gently pull on the QR Rail Grabber to confirm that it is securely attached to the rail.

5. Attach Gear:

- Attach your gear (e.g., bipod) to the QR Rail Grabber according to the manufacturer's instructions.

Usage Tips

- Adjust the QR Rail Grabber as needed using the textured knob for optimal positioning.

- Regularly inspect the attachment to ensure it remains secure during use.
- If you experience any difficulties during use, refer to the troubleshooting section of the product manual or seek professional assistance.

Disposal Instructions

- Dispose of the QR Rail Grabber in accordance with local regulations.
- If the product is damaged beyond repair, consider recycling components where possible.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the QR Rail Grabber, please refer to the manufacturer's contact details provided in the product packaging or on the official website. It is important to have access to support for safety inquiries and product issues.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Magpul QR Rail Grabber. Thank you for prioritizing safety in your activities.
