

MBUS 3 REAR SIGHTS - MAGPUL MBUS 3 REAR SIGHT FLIP-UP ADJUSTABLE POLYMER BLACK

[Rifle Parts](#) > [Sights](#) > [Rear Sights](#)

The next evolution in Magpul's MBUS (Magpul® Back-Up Sight) line, the MBUS 3 incorporates the best features, strengths and value of Magpul's original MBUS and MBUS Pro Sights in a feature-packed back-up sight system. Significantly reduced in size from the MBUS, it sits at just .44" when folded and 1.15" at its widest point. Its aesthetics are derived from the MBUS Pro, but the MBUS 3 Rear Sight is constructed of their impact-resistant polymer, making it lightweight and extremely durable. Featuring the same spring-loaded technology as its predecessor, they can be deployed with an ambidextrous push-button. The MBUS 3 sits at standard AR-height when deployed. The MBUS 3 Rear Sight includes a rapid-select aperture system. Made in the USA. Rapid-select rear aperture system 0.44" high when folded 1.15" wide at widest point Standard AR-height when deployed Ambidextrous push-button deployment For attachment to M1913 picatinny rail

MBUS 3 Rear Sight Safety Instruction Guide

Introduction

Thank you for choosing the MBUS 3 Rear Sight by Magpul. This guide provides important safety information and instructions to ensure the proper use and maintenance of your product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Ensure safe use of the MBUS 3 Rear Sight by following all instructions.
- The product is designed for use on firearms and should be handled with care.
- Always treat the sight as if it is loaded and follow all firearm safety rules.
- Keep the sight out of reach of children and vulnerable individuals.
- Regularly inspect the sight for any signs of damage or wear.
- Do not modify the sight in any way that could compromise its safety or functionality.

Specific Safety Precautions for Use

- Always ensure that the firearm is pointed in a safe direction when deploying or adjusting the sight.
- Use the sight only for its intended purpose; it is designed for use with M1913 picatinny rails.
- Be cautious when deploying the sight; the springloaded mechanism may cause it to flip up quickly.
- Do not attempt to force the sight into position; if it does not deploy smoothly, check for obstructions.
- If you notice any unusual behavior or damage to the sight, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

Installation

1. Ensure that your firearm is unloaded and pointed in a safe direction.
2. Identify the M1913 picatinny rail on your firearm.
3. Align the MBUS 3 Rear Sight with the rail.
4. Slide the sight onto the rail until it is securely in place.
5. Use the provided adjustment mechanism to tighten the sight to the rail, ensuring it is stable.

Usage

- To deploy the sight, locate the ambidextrous pushbutton.
- Press the button to release the sight from its folded position.
- Allow the sight to flip up fully until it locks into place.
- Adjust the rear aperture for your shooting needs using the rapidselect aperture system.
- When finished using the sight, press the pushbutton again to fold it back down.

Disposal Instructions

- Dispose of the MBUS 3 Rear Sight in accordance with local regulations.
- If the sight is damaged beyond repair, ensure it is disposed of safely to prevent injury.
- Do not dispose of the sight in regular household waste; check for recycling options in your area.

Contact Information for Further Support

For any questions or concerns regarding the MBUS 3 Rear Sight, please consult your retailer or visit the manufacturer's website for further assistance.

Thank you for ensuring the safety and proper usage of your MBUS 3 Rear Sight. Always prioritize safety and responsible handling of your firearm accessories.
