PACESETTER RIFLE THREEDIE SET LEE PRECISION 6.8 REMINGTON SPECIAL PACESETTER 3DIE SET Safety Instructions

Introduction

Thank you for choosing the PACESETTER RIFLE THREEDIE SET by LEE PRECISION. This product is designed for reloading 6.8 mm Remington SPC cartridges. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always handle reloading equipment and components with care.
- Ensure that you are using the correct components for the specific caliber.
- Keep your reloading area clean and organized to avoid accidents.
- Store all reloading materials out of reach of children and unauthorized users.
- Regularly inspect your equipment for wear or damage.
- Follow all local laws and regulations regarding ammunition reloading.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper handling of reloading dies can result in personal injury.
 - Using incorrect settings or components may lead to dangerous ammunition.
- **Avoiding Hazards:**
 - Always wear safety glasses when reloading to protect your eyes from debris.
 - Do not exceed recommended loads as specified in the load data.
 - Ensure that the reloading press is securely mounted to avoid movement during operation.
 - Keep fingers clear of moving parts during operation.
 - Never leave reloading equipment unattended while in use.

Instructions for Installation and Usage

1. Installation:

- Securely mount the reloading press to a stable workbench.
- Attach the Full Length Sizing Die to the press following the manufacturer's instructions.
- Insert the Bullet Seating Die and the Factory Crimp Die as needed.
- Ensure that the Universal Shell Holder is properly seated in the press.

2. Usage:

- Begin the reloading process by following the provided instructions and load data.
- Measure powder charges accurately using the Powder Dipper.
- Ensure that each cartridge is inspected for proper seating and crimping.
- Keep a clean workspace and dispose of any waste materials responsibly.

Disposal Instructions

- Dispose of any unused or expired reloading materials according to local regulations.
- Properly recycle any metal or plastic components when possible.
- Do not dispose of reloading materials in regular household waste.

Contact Information for Further Support

For any safety inquiries or concerns regarding the PACESETTER RIFLE THREEDIE SET, please contact your local distributor or refer to the manufacturer's website for further assistance.

Please ensure that you follow these safety instructions to maintain a safe reloading environment. Your safety is our priority.
