

SHOTGUN SLUG MOULDS - LEE PRECISION SHOTGUN SLUG 1OZ. 12GA

[Reloading](#) > [Bullet Casting](#) > [Casting Moulds](#) > [Shotgun Moulds](#)

Load slugs for less than standard trap loads. The Lee DRIVE KEY slug is loaded in a standard trap hull with standard wad and conventional folded crimp. Slug loads are produced with any standard shot shell reloading press. Lee Shotgun Slug Moulds feature the exclusive drive key. The drive key positively rotates the slug in rifled shotgun barrels. The key doubles as a support rib allowing use of a standard trap wad - no need for a support wad or base filler. Sabot wad design outperforms rifled slugs in rifled slug barrels. Velocity and accuracy meet and exceed expensive factory loaded rifled slugs. Molds feature self centering automatic core pins for maximum speed and convenience. Mold is complete with sprue plate, handles and complete instructions with suggested loads.

Attributes

- Name: [LEE PRECISION SHOTGUN SLUG 1OZ. 12GA](#)
- Manufacturer: [LEE PRECISION](#)
- Product no.: 100100591
- Mfr. No.: 90281
- Caliber: 12 Gauge
- Delivery weight: 0.386kg
- Shipping height: 51mm
- Shipping width: 66mm
- Shipping length: 272mm
- UPC: 734307902810

Safety Instruction Guide for SHOTGUN SLUG MOULDS LEE PRECISION SHOTGUN SLUG 1OZ. 12GA

Introduction

Thank you for choosing the SHOTGUN SLUG MOULDS from LEE PRECISION. This guide provides essential safety instructions to ensure the safe use of this product. Please read and follow all instructions carefully to maximize safety and performance.

General Safety Guidelines

- **Product Safety:** This product is designed for safe use in reloading shotgun slugs. Always follow the instructions provided.
- **Enhanced Recalls:** In the event of a product recall, you will be notified through standardized notices. Ensure you check for updates regularly.
- **Online Shopping:** When purchasing online, ensure that the retailer complies with safety requirements similar to physical stores.
- **Special Consumer Focus:** Extra care should be taken when used by or around vulnerable groups, such as children. Keep out of reach.
- **EU Contact Point:** For any safety inquiries, refer to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Stay informed about any safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection and gloves, when handling molds and reloading materials.
- Ensure that your reloading area is wellventilated to avoid inhalation of any fumes.
- Keep all components, including slugs, wads, and powders, out of reach of children and unauthorized users.
- Inspect the mold and reloading equipment for damage before each use. Do not use if any components are worn or damaged.
- Follow all local laws and regulations regarding the reloading of ammunition.
- Only use the mold with compatible components as specified in the instructions.

Instructions for Installation and Usage

1. Setup and Preparation:

- Gather all necessary materials: SHOTGUN SLUG MOULDS, standard trap hulls, standard wads, and a reloading press.
- Ensure your workspace is clean and organized.

2. Loading the Slugs:

- Follow the instructions included with the mold for proper slug loading techniques.
- Use the drive key feature to ensure proper rotation in rifled shotgun barrels.

3. Operational Steps:

- Place the mold on a stable surface and ensure it is securely clamped if necessary.

- Pour the molten lead into the mold, ensuring to fill all cavities completely.
- Allow the mold to cool as per the instructions before removing the slugs.

4. PostUse Care:

- Clean the mold thoroughly after each use to remove any lead residue and maintain its condition.
- Store the mold in a safe and dry location, away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of any unused materials, such as leftover lead or wads, in accordance with local regulations.
- Do not dispose of lead in regular waste. Contact local waste management authorities for proper disposal methods.
- Ensure that all packaging materials are recycled or disposed of responsibly.

Contact Information for Further Support

For any questions or concerns regarding the product, please refer to the contact information provided with your purchase or consult the manufacturer's website for further assistance.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy reloading with your SHOTGUN SLUG MOULDS from LEE PRECISION responsibly and safely.
