# NECK TURNING MANDRELS HORNADY TURNING MANDREL, 25 CAL Safety Instructions

## Introduction

Thank you for choosing the Hornady Neck Turning Mandrel, 25 Cal. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this manual carefully before using the mandrel to understand the safety precautions and proper usage.

## General Safety Guidelines

- Ensure that you are using the Neck Turning Mandrel only with the Hornady neck turning tool.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling and using the mandrel.
- Keep the work area clean and welllit to avoid accidents.
- Do not use the mandrel if it is damaged or worn. Inspect it regularly for signs of wear.
- Follow all local regulations and guidelines related to the use of reloading equipment.
- Store the mandrel in a safe place, out of reach of children and pets.

## Specific Safety Precautions for Use

- **Alignment:** Properly align cases when using the mandrel to avoid accidents and ensure optimal performance.
- **Handling:** Handle the mandrel with care. Avoid dropping or striking it against hard surfaces.
- **Work Environment:** Ensure that your work environment is free from distractions and hazards.
- **Vulnerable Groups:** Keep the mandrel away from children and individuals who may not understand its use.
- **Emergency Procedures:** In case of an accident or injury, seek immediate medical attention.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the Hornady neck turning tool is turned off and unplugged before installation.
- Insert the Neck Turning Mandrel into the designated holder of the neck turning tool.
- Secure the mandrel according to the manufacturer's instructions to prevent it from loosening during use.

### 2. Usage:

- Align the case properly with the mandrel before starting the turning process.
- Turn on the neck turning tool and adjust the speed as necessary for your specific application.
- Monitor the turning process to ensure that the case is being turned evenly and safely.
- After use, turn off and unplug the tool before removing the mandrel.

## Disposal Instructions

- Dispose of the Neck Turning Mandrel in accordance with local regulations regarding metal recycling and electronic waste.
- Do not dispose of the mandrel in regular household waste.
- If the mandrel is damaged beyond use, contact local recycling facilities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the Hornady Neck Turning Mandrel, please refer to the manufacturer's website or customer service for assistance.

By following these safety instructions, you can ensure a safe and effective experience while using the Hornady Neck Turning Mandrel, 25 Cal. Thank you for prioritizing safety in your reloading activities.
