NECK TURNING MANDRELS HORNADY NECK TURNING MANDREL, .270 CAL Safety Instruction Guide

Introduction

Thank you for choosing the Hornady Neck Turning Mandrel for your reloading needs. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before using the mandrel.

General Safety Guidelines

- Ensure that you are familiar with the operation of the Hornady neck turning tool before using the mandrel.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling and using the mandrel.
- Keep the work area clean and welllit to minimize the risk of accidents.
- Store the mandrel in a safe place, away from children and pets.
- Regularly inspect the mandrel for any signs of wear or damage before use. Do not use if damaged.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not exceed the recommended caliber specifications for the mandrel.
- Ensure that the cases are properly aligned before turning to avoid accidents.
- Avoid placing hands or fingers near moving parts during operation.
- If you experience any issues or malfunctions, stop using the mandrel immediately and consult the manufacturer or a qualified professional.
- Keep all tools and equipment out of reach of children and unauthorized users.

Instructions for Installation and Usage

1. Preparation:

- Before installation, ensure that the Hornady neck turning tool is clean and free from debris.
- Gather all necessary tools and materials for the task.

2. Installation:

- Insert the .270 caliber mandrel into the designated holder of the Hornady neck turning tool.
- Secure the mandrel in place according to the manufacturer's instructions.

3. Usage:

- Load the case into the neck turning tool, ensuring proper alignment.
- Turn on the tool and begin the neck turning process, maintaining a safe distance from moving parts.
- Monitor the operation closely and stop the tool if any unusual noises or issues occur.

4. PostUsage:

- Once the neck turning is complete, turn off the tool and carefully remove the case.

- Clean the mandrel and tool as per the manufacturer's recommendations to maintain performance.

Disposal Instructions

- Dispose of any damaged or unusable mandrels according to local regulations.
- Do not throw the mandrel in regular household waste. Instead, contact local recycling centers for proper disposal options.

Contact Information for Further Support

For any questions or concerns regarding the Hornady Neck Turning Mandrel, please refer to the manufacturer's website or contact their customer support for assistance.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your Hornady Neck Turning Mandrel. Thank you for prioritizing safety in your reloading practices.
