# Safety Instruction Guide for Bushing Bump Decapping Units

## Introduction

Thank you for choosing the Bushing Bump Decapping Unit from Forster Products, Inc. This product is designed to provide a reliable replacement decapping assembly for Forster Bushing Bump Dies. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

To ensure your safety and the proper functioning of the Bushing Bump Decapping Unit, please follow these general safety guidelines:

- Always read and understand the product instructions before use.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage or wear before each use.
- Use only compatible components with the Bushing Bump Decapping Unit.
- Do not attempt to modify or repair the product yourself.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

When using the Bushing Bump Decapping Unit, please observe the following safety precautions:

- Ensure that you are wearing appropriate safety gear, including eye protection.
- Do not use the decapping unit if you are tired, distracted, or under the influence of substances.
- Handle the decapping pin with care to avoid injury.
- Always operate in a well-ventilated area to avoid inhalation of dust and debris.
- Follow all manufacturer guidelines for use and maintenance.

## Instructions for Installation and Usage

To properly install and use the Bushing Bump Decapping Unit, follow these steps:

### 1. Installation:

- Gather all necessary components: decap rod, spindle bushing, lock nut, and decapping pin.
- Ensure that the workspace is clean and organized.
- Insert the decap rod into the appropriate die.
- Secure the spindle bushing onto the decap rod.
- Tighten the lock nut to hold the components firmly in place.
- Attach the decapping pin to the end of the decap rod.

### 2. Usage:

- Position the cartridge (e.g., .260 Remington) in the die.
- Operate the decapping unit according to the manufacturer's instructions.
- Monitor the process closely to ensure safe operation.
- After use, disassemble the components carefully.

## **Disposal Instructions**

When disposing of the Bushing Bump Decapping Unit or its components, please follow these guidelines:

- Do not dispose of the product in regular household waste.
- Check local regulations for proper disposal methods of metal and plastic components.
- Consider recycling parts where possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the Bushing Bump Decapping Unit, please reach out to your local retailer or manufacturer representative for assistance.

By following these safety instructions, you will ensure a safe and effective experience with your Bushing Bump Decapping Unit. Thank you for your attention to safety!
