

# RIFLE MUZZLE BRAKE ASSEMBLIES TAPER-LOK - MUZZLE BRAKE ASSEMBLY 338 M18X15 TAPER-LOK

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

The Micro-Brake stabilizes the muzzle shot-to-shot when the silencer is not installed, reducing muzzle flip and felt recoil. It also provides a barrier between the muzzle blast and the blast baffle of the silencer. Timing the Micro-Brake could not be easier. Once the silencer mount is attached to the barrel, the Micro-Brake is added with the provided crush washer. Simply turn the brake on the crush washer until the ports are timed in the desired orientation. The SRD338Ti-QD to be used with the .338 muzzle brake assembly with appropriate threads.

## Attributes

- Name: [MUZZLE BRAKE ASSEMBLY 338 M18X15 TAPER-LOK](#)
- Manufacturer: [SIG SAUER, INC.](#)
- Product no.: 100400121

# Safety Instruction Guide for RIFLE MUZZLE BRAKE ASSEMBLIES TAPERLOK MUZZLE BRAKE ASSEMBLY 338 M18X15 TAPERLOK

## Introduction

Thank you for choosing the RIFLE MUZZLE BRAKE ASSEMBLIES TAPERLOK MUZZLE BRAKE ASSEMBLY 338 M18X15 TAPERLOK. This product is designed to enhance your shooting experience by stabilizing the muzzle and reducing recoil. However, it is important to follow safety guidelines to ensure safe and effective use. This guide provides essential information regarding safety, installation, usage, and disposal.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always wear appropriate eye and ear protection when using firearms equipped with muzzle brakes.
- Keep the muzzle brake and all firearm accessories away from children and unauthorized users.
- Regularly inspect the muzzle brake for signs of wear or damage before each use.
- Do not attempt to modify or alter the muzzle brake in any way.
- Follow all local laws and regulations regarding the use of firearm accessories.

## Specific Safety Precautions for Use

- Use the muzzle brake only with firearms that are compatible with the .338 caliber and M18x15 threads.
- Ensure that the silencer mount is securely attached to the barrel before installing the MicroBrake.
- Be cautious of the muzzle blast when firing; maintain a safe distance from others.
- Do not fire the weapon without the MicroBrake properly installed, as this may lead to increased recoil and muzzle rise.
- If you experience any unusual sounds or performance issues while using the muzzle brake, stop using it immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation of the MicroBrake

1. **Prepare the Firearm:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Attach the Silencer Mount:** Securely attach the silencer mount to the barrel of the firearm.
3. **Install the MicroBrake:**
  - Place the provided crush washer onto the barrel.
  - Screw the MicroBrake onto the crush washer.
  - Turn the brake until the ports are oriented in the desired position.
4. **Check Alignment:** Ensure that the MicroBrake is properly aligned and securely tightened.
5. **Final Inspection:** Conduct a final inspection to confirm that all components are installed correctly.

### Usage of the Muzzle Brake

- When ready to shoot, ensure that you are in a safe shooting environment.
- Maintain a proper shooting stance and grip on the firearm.
- After firing, observe the performance of the muzzle brake and check for any signs of damage or misalignment.

## Disposal Instructions

- Dispose of the muzzle brake in accordance with local regulations regarding firearm accessories.
- Do not throw the product into regular household waste. Instead, contact local waste management authorities for guidance on proper disposal methods.
- If the product is damaged or no longer usable, consider recycling components that are made of metal.

## Contact Information for Further Support

For any inquiries regarding safety or performance issues related to the RIFLE MUZZLE BRAKE ASSEMBLIES TAPERLOK MUZZLE BRAKE ASSEMBLY 338 M18X15 TAPERLOK, please refer to the manufacturer's website or customer service for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your RIFLE MUZZLE BRAKE ASSEMBLY. Always prioritize safety and comply with all relevant regulations. Thank you for your attention to these important guidelines.
