Safety Instruction Guide for AR15 KMR Clamp Blocks Titanium

Introduction

Thank you for choosing the AR15 KMR Clamp Blocks Titanium from V Seven Weapon Systems. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this manual.
- Always handle the clamp blocks with care to avoid injury.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the clamp blocks for wear or damage before use.
- If you notice any defects, do not use the product and contact customer support.
- Follow all local laws and regulations regarding the use of firearm accessories.

Specific Safety Precautions for Use

- **Material Safety:** The clamp blocks are made from Grade 5 Titanium. While titanium is known for its strength, improper handling may lead to injury.
- **Weight Consideration:** The set weighs 5.5 grams. Ensure that your firearm can accommodate this additional weight without compromising safety or performance.
- **Installation Caution:** Use with V Seven Ti KMR Barrel Nut only. Using incompatible components can lead to failure and potential injury.
- **Screw Usage:** KMR screws are not included. Ensure you use the correct screws that are compatible with the clamp blocks and barrel nut.
- **Environmental Awareness:** Avoid using the product in extreme conditions that may affect its performance, such as high humidity or extreme heat.

Instructions for Installation and Usage

1. Preparation:

- Ensure all necessary tools are available before beginning the installation.
- Read through all instructions thoroughly.

2. Installation Steps:

- Remove the existing barrel nut from your AR15.
- Align the V Seven Ti KMR Barrel Nut with the clamp blocks.
- Secure the clamp blocks in place using compatible screws (not included).
- Tighten screws to the manufacturer's recommended torque specifications to ensure a secure fit.

3. Usage Instructions:

- After installation, perform a function check to ensure everything is secure and operating correctly.
- Regularly check the tightness of the screws and the integrity of the clamp blocks during routine maintenance.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, consider recycling options for titanium materials where available.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please refer to the contact information provided by V Seven Weapon Systems. Ensure that you have the product details on hand when seeking assistance.

By following these guidelines, you can ensure the safe and effective use of the AR15 KMR Clamp Blocks Titanium. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation.
