AR15 EJECTION PORT COVER ROD Safety Instruction Guide

Introduction

Thank you for choosing the AR15 EJECTION PORT COVER ROD by V SEVEN WEAPON SYSTEMS. This product is designed to enhance the functionality and performance of your AR15 rifle. To ensure your safety and the proper use of this product, please read this safety instruction guide carefully.

General Safety Guidelines

- Always ensure that the firearm is unloaded before handling or installing the EJECTION PORT COVER ROD.
- Follow all local laws and regulations regarding firearm modifications.
- Use appropriate safety gear, including eye protection, while handling firearms and their components.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the EJECTION PORT COVER ROD for signs of wear or damage.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- The EJECTION PORT COVER ROD is made from 6061 aluminum and is Type III hardcoat anodized for corrosion resistance. Handle with care to avoid scratches or dents.
- Ensure that the rod is installed correctly before use. Improper installation may lead to malfunctions.
- Do not attempt to retrofit this product onto firearms that are not compatible.
- The rod does not require a Cclamp for installation. Ensure that the end of the rod is properly seated in its designated place.
- This product is not intended for use by individuals under the age of 18 without adult supervision.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation, including a wrench and any other required equipment.
- Ensure that your firearm is in a safe and stable position.

2. Installation:

- Remove the barrel nut prior to installation of the EJECTION PORT COVER ROD.
- Carefully insert the rod into the designated area of the firearm.
- Ensure that the end of the rod is properly enlarged and seated to prevent movement.
- Reattach the barrel nut, ensuring that it is tightened according to the manufacturer's specifications.

3. Usage:

- Once installed, regularly check the EJECTION PORT COVER ROD for secure placement.
- Avoid excessive force when operating the ejection port cover to prevent damage.

Disposal Instructions

- When disposing of the EJECTION PORT COVER ROD, follow local regulations regarding the disposal of aluminum and firearm components.
- Consider recycling the product to minimize environmental impact.

Contact Information for Further Support

For any inquiries regarding the AR15 EJECTION PORT COVER ROD, please reach out to the manufacturer. Ensure you have the product information on hand for reference.

By adhering to these safety guidelines and instructions, you can ensure a safe and effective experience with your AR15 EJECTION PORT COVER ROD. Thank you for your attention to safety.
