Safety Instruction Guide for AR15 UltraLight Takedown & Pivot Pin Set

Introduction

Thank you for choosing the AR15 UltraLight Takedown & Pivot Pin Set from V SEVEN Weapon Systems. This product is designed to enhance your firearm experience while ensuring safety and reliability. Please read this safety instruction guide carefully to understand how to use and maintain your product safely.

General Safety Guidelines

- Always handle firearms with care and in accordance with local laws and regulations.
- Ensure that the product is suitable for your specific firearm model.
- Regularly inspect the pins for wear and damage before use.
- Store the pins in a safe and dry location, away from children and unauthorized users.
- Report any unsafe product experiences or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- The AR15 UltraLight Takedown & Pivot Pin Set is designed for use with AR15 platforms only. Do not use it with other firearm types.
- Ensure that the firearm is unloaded before installation or removal of the pins.
- Use caution when disassembling the firearm. The dimple tip design is intended for pushing the pin during disassembly; avoid excessive force.
- Keep fingers away from the pin's movement area to prevent injury during installation and removal.
- Always wear appropriate safety gear when handling firearms, including eye protection.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools for installation, if required.

2. Installation:

- Align the pivot pin with the designated hole in the lower receiver of the AR15.
- Use the dimple tip design to gently push the pin into place. Ensure that it is seated correctly.

3. Disassembly:

- To disassemble, ensure the firearm is unloaded.
- Use the dimple tip design to push the pin out gently.
- Handle all components carefully to avoid losing any parts.

4. PostInstallation Check:

- After installation, check that the pin is secure and functions properly.
- Test the firearm's action to ensure that everything operates smoothly.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal recycling and hazardous

materials.

- Do not dispose of the product in regular household waste.
