

# AR-15 ULTRA-LIGHT EJECTION PORT COVER - V SEVEN WEAPON SYSTEMS AR-15 ULTRA-LIGHT EJECTION PORT COVER CLASSIC BLACK

[Rifle Parts](#) > [Receiver Parts](#) > [Ejection Port Cover Parts](#) > [Ejection Port Covers](#)

## Shave Off a Little Extra Weight, Give Your Rifle a Unique Appearance

V Seven's AR-15 Ultra-Light Ejection Port Covers do the job of the original factory part but weigh half as much. They're made from 7075 T6 aluminum alloy and are at least 45% lighter than the mil-spec steel door. The exterior of the door is completely smooth, giving your rifle a clean, futuristic look. Three models to choose from: Classic: 8.3 grams Designer: 7.8 grams Air: 6.7 grams The Ultra-Light Ejection Port Cover has a durable, Type III hardcoat anodized finish to resist corrosion and comes with V Seven's Titanium plunger and stainless steel roll pin. Every bit of unnecessary weight on a tactical or competition rifle slows you down just a little more, so why not install a V Seven AR-15 Ultra-Light Ejection Port Cover and tilt the odds a little back in your favor?

## Attributes

# Safety Instruction Guide for AR15 UltraLight Ejection Port Cover

## Introduction

Thank you for choosing the AR15 UltraLight Ejection Port Cover by V Seven Weapon Systems. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your product. Please read this document carefully before using the cover.

## General Safety Guidelines

- Ensure that all safety precautions are followed during installation and use.
- This product is designed for use with AR15 rifles only. Do not attempt to use it with any other firearm.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the Ejection Port Cover for signs of wear or damage. Replace it if any issues are found.

## Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before attempting to install or modify any parts.
- Wear appropriate safety gear, including eye protection, while handling firearms.
- Avoid using the Ejection Port Cover in extreme temperatures or conditions that may affect its performance.
- Do not attempt to modify or alter the Ejection Port Cover in any way, as this may compromise its safety and functionality.
- If you experience any issues with the product, cease use immediately and consult a qualified gunsmith or firearms expert.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure your AR15 rifle is completely unloaded and pointed in a safe direction.
- Gather the necessary tools for installation (typically a screwdriver and possibly a punch tool).

### 2. Installation Steps

- Remove the existing ejection port cover from your rifle by unscrewing the mounting screws.
- Carefully detach the old cover and set it aside.
- Align the V Seven UltraLight Ejection Port Cover with the mounting holes on your rifle.
- Secure the cover in place using the provided screws, ensuring a tight fit.
- Install the V Seven Titanium plunger and stainless steel roll pin according to the manufacturer's instructions.
- Doublecheck that the cover operates smoothly and securely before using the rifle.

### 3. Usage

- The Ejection Port Cover is designed to enhance the functionality and aesthetics of your AR15 rifle.
- Regularly check the cover for any signs of wear or looseness during routine maintenance.
- If you notice any issues, remove the cover and inspect it thoroughly.

## **Disposal Instructions**

- When disposing of the Ejection Port Cover, follow local regulations for the disposal of aluminum and metal products.
- Do not dispose of the product in regular household waste. Instead, recycle it at a designated recycling facility.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the AR15 UltraLight Ejection Port Cover, please consult the manufacturer's website or contact their customer service.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure the safe and effective use of your AR15 UltraLight Ejection Port Cover. Thank you for your attention to safety and for choosing V Seven Weapon Systems.
